An aerial photograph of Jackson Memorial High School. The main building is a long, two-story structure with a flat roof and many windows. To the right is a smaller, single-story building. In the foreground, there is a small white building with a gabled roof and two chimneys. The campus is surrounded by trees and a parking lot. In the background, there is a large, light-colored hill or mound of earth.

Jack-son High School, hail to you; our

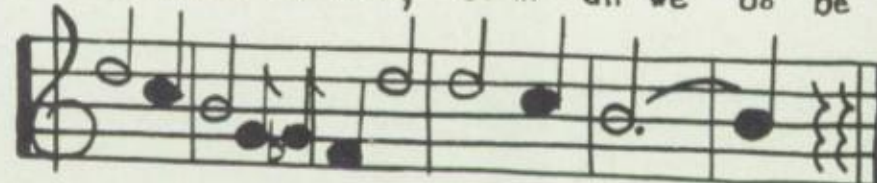

days with you and our friends so true, are the ha-ppiest days of our

lives. We'll sing a song to our ath-letes strong, to our

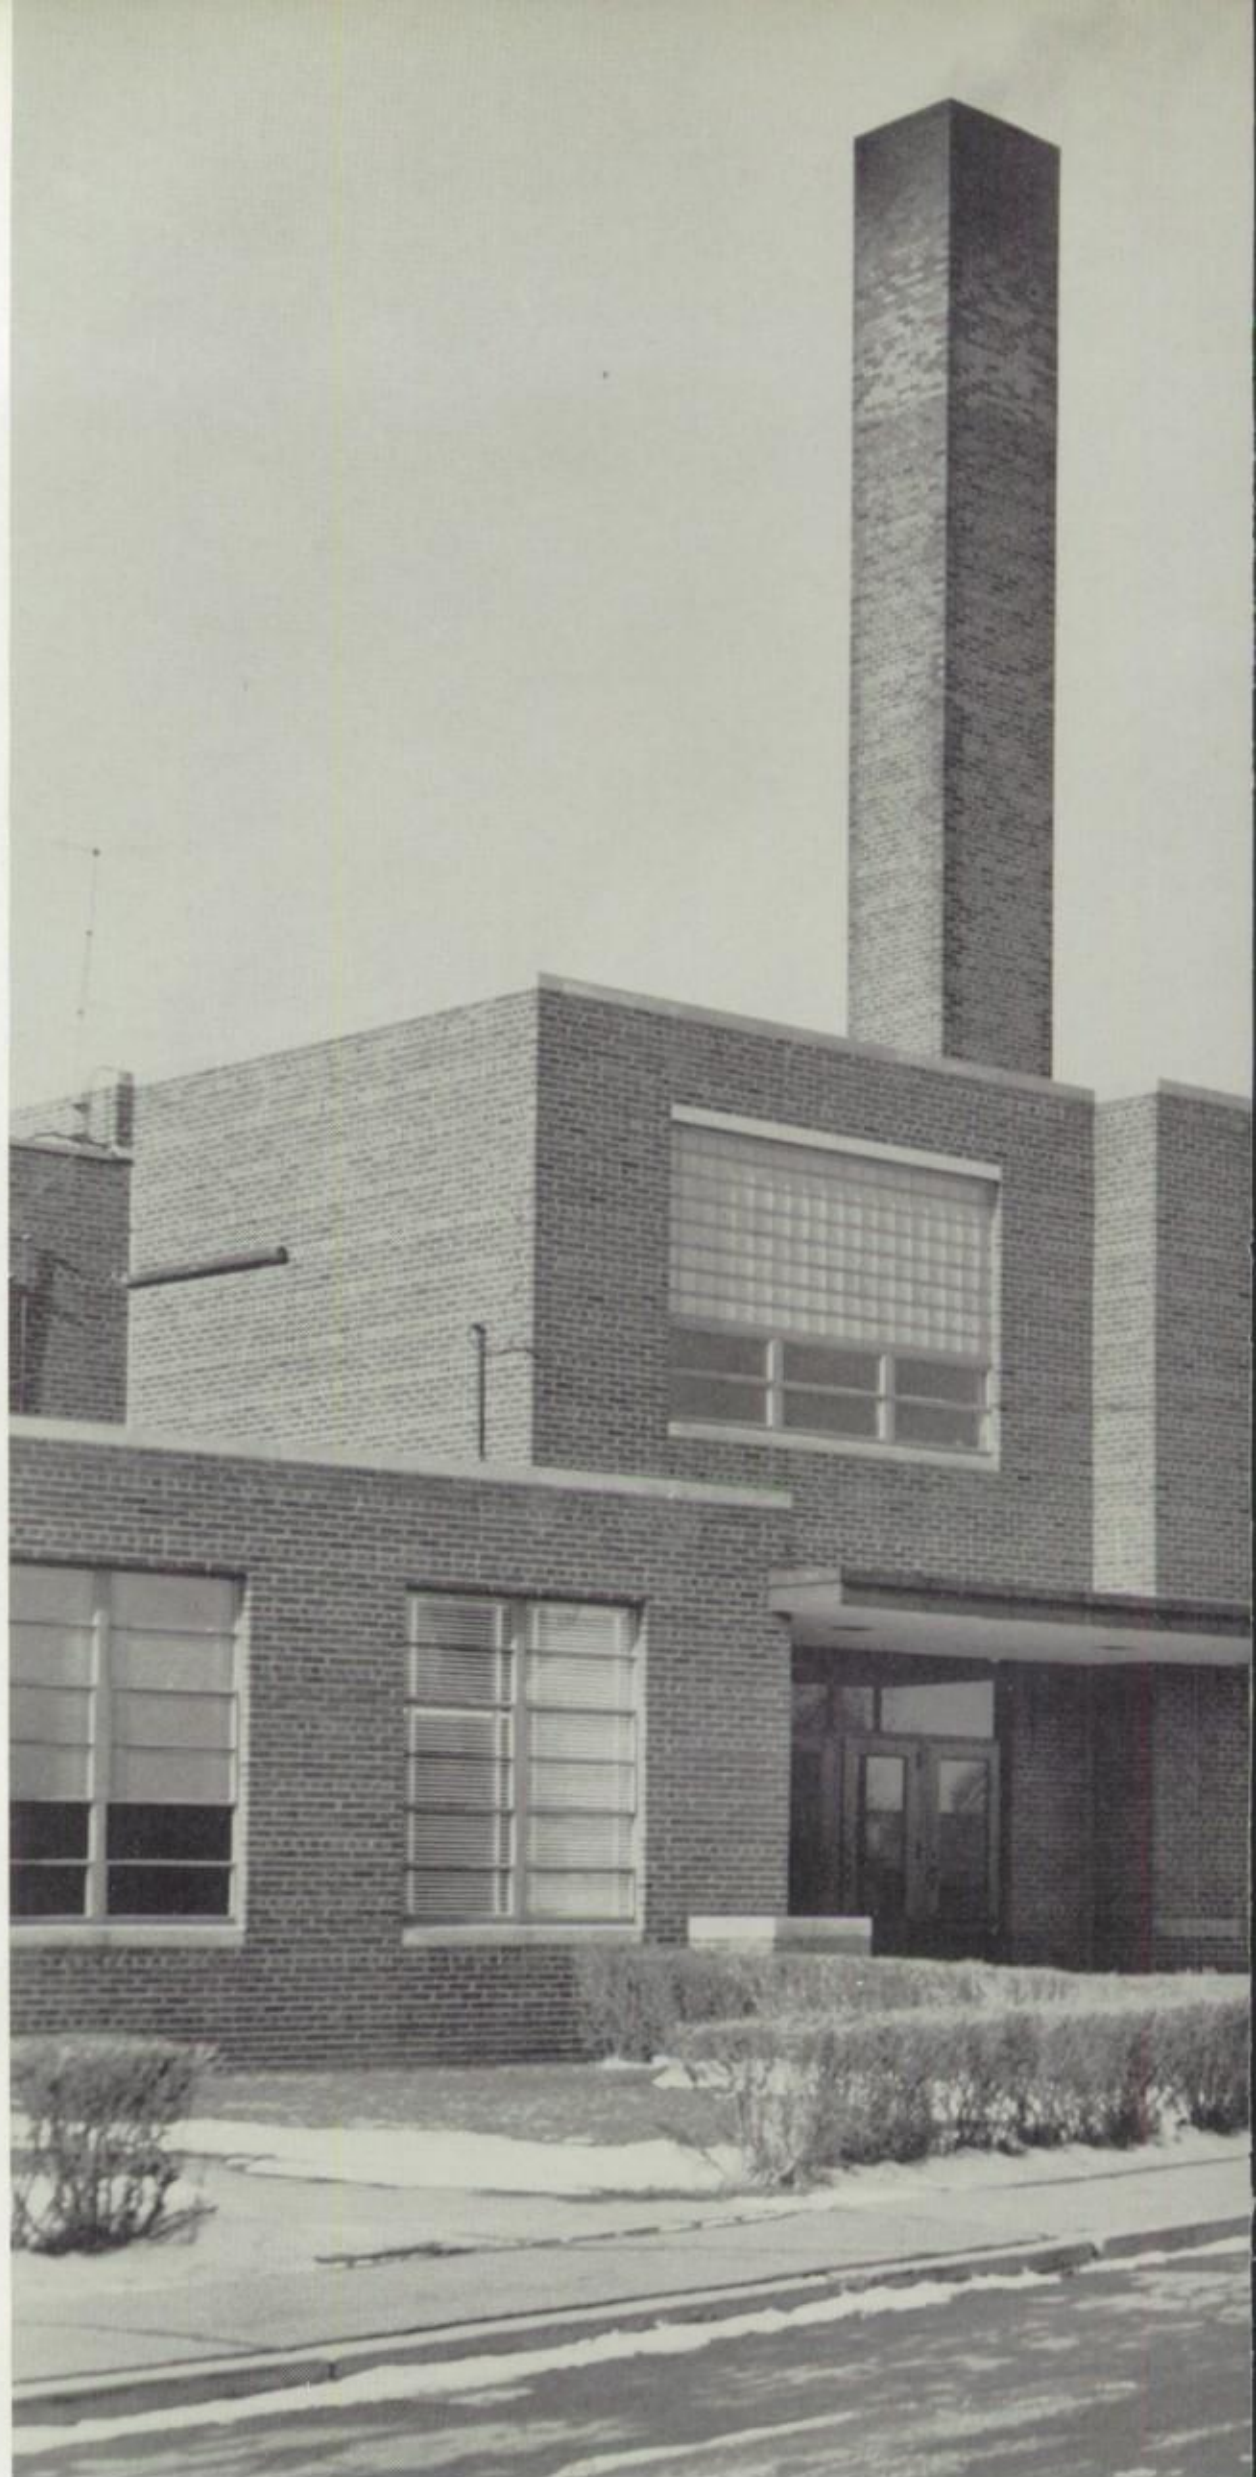

teams that ne-ver fail; So in all we do be

brave and true; Jack-son High School, hail to you!

"JACKSON HIGH SCHOOL HAIL TO YOU" is the beginning line of our Alma Mater which was composed by Ralph Saylor in the late '30's. It is especially appropriate for beginning the story of our Alma Mater in the 1960-1961 school year. For in retrospect the recently concluded year has been one of changes and progress, one of new construction and expansion. To those of us who have more recently joined J. H. S., these changes may not seem so apparent because they have come gradually and subtly. But those of us who have been here longer will see the changes more sharply.

In the next few pages we would like to present pictorially the new additions of which we are especially proud as a salute to Jackson Memorial High School, its administration and faculty, and the citizens and voters of Jackson Township.

Jackson High School

Hail To You

Mr. G. L. Rader, who replaced the retiring Mr. Sauder as superintendent at Jackson, chats with our new teachers at lunchtime.

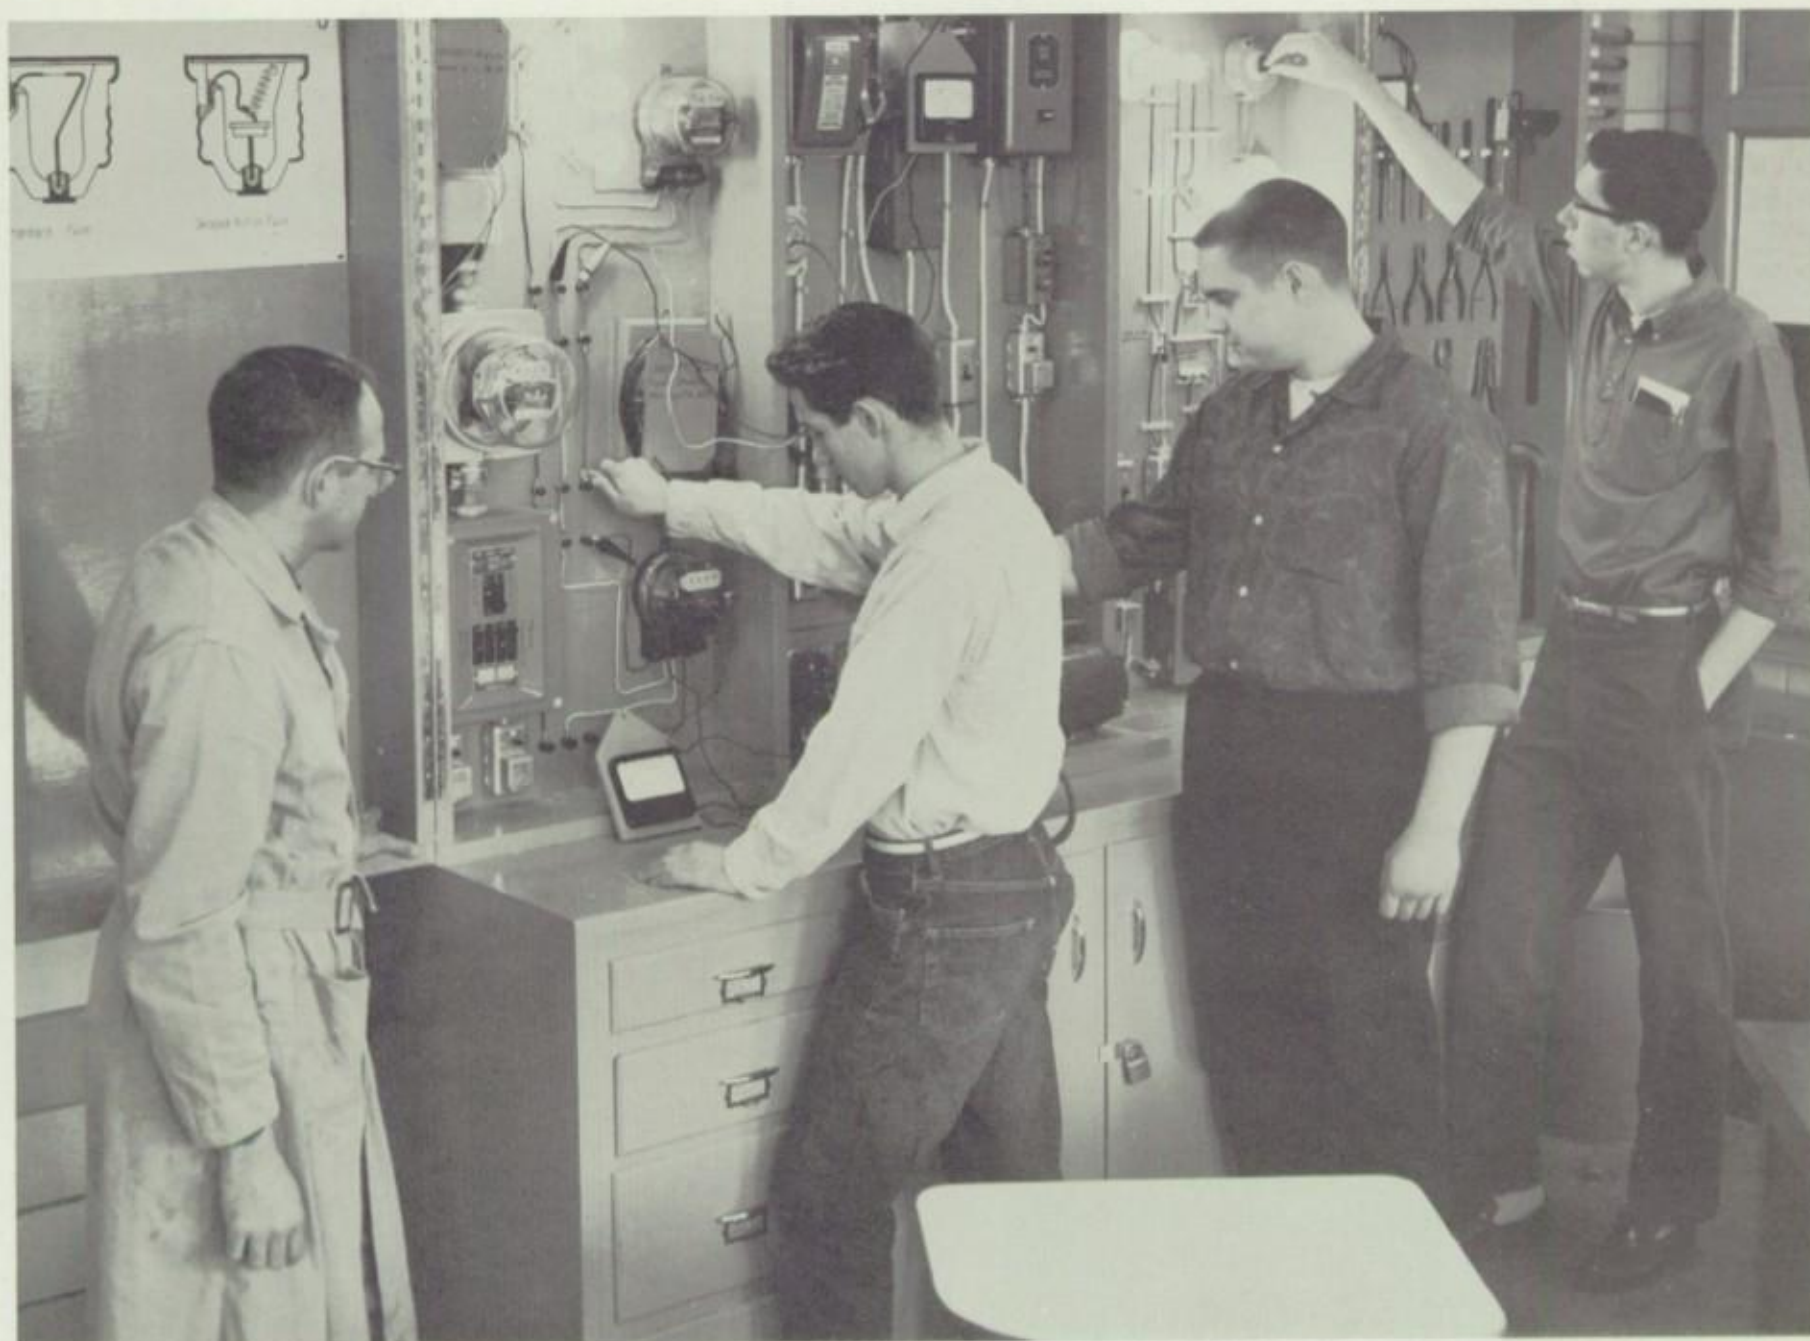

Our New Acquisitions

This year the full effects of the passage of the bond issue two years ago were felt by Jackson High School. The junior high vacated 17 classrooms and moved into its new building to the west of the high school. These classrooms together with eight new teachers, which increased the total number on our faculty by four, were made available for the expansion of the high school. The industrial arts department underwent the most pronounced change; a new addition to house the metal and wood-working shops was completed and courses in electrical and metal shop were added to the curriculum. Other departments received new textbooks and increased allowances for visual aids and laboratory equipment.

The band purchased new purple and gold uniforms to go with their recently completed bandroom. New lights and more bleachers as well as a larger refreshment stand were added to the football field. Once again pushing, shoving lines formed at the door of the school cafeteria. Two new school buses of the modern "snub-nosed" type were bought by the school board to carry the ever-increasing number of students at Jackson.

Several high school students wait until the last minute to board Number 18, the newest of our buses.

Mr. Norwood Davidson supervises the work of three of the boys in his first electrical shop course.

These band members proudly exhibit their new uniforms.

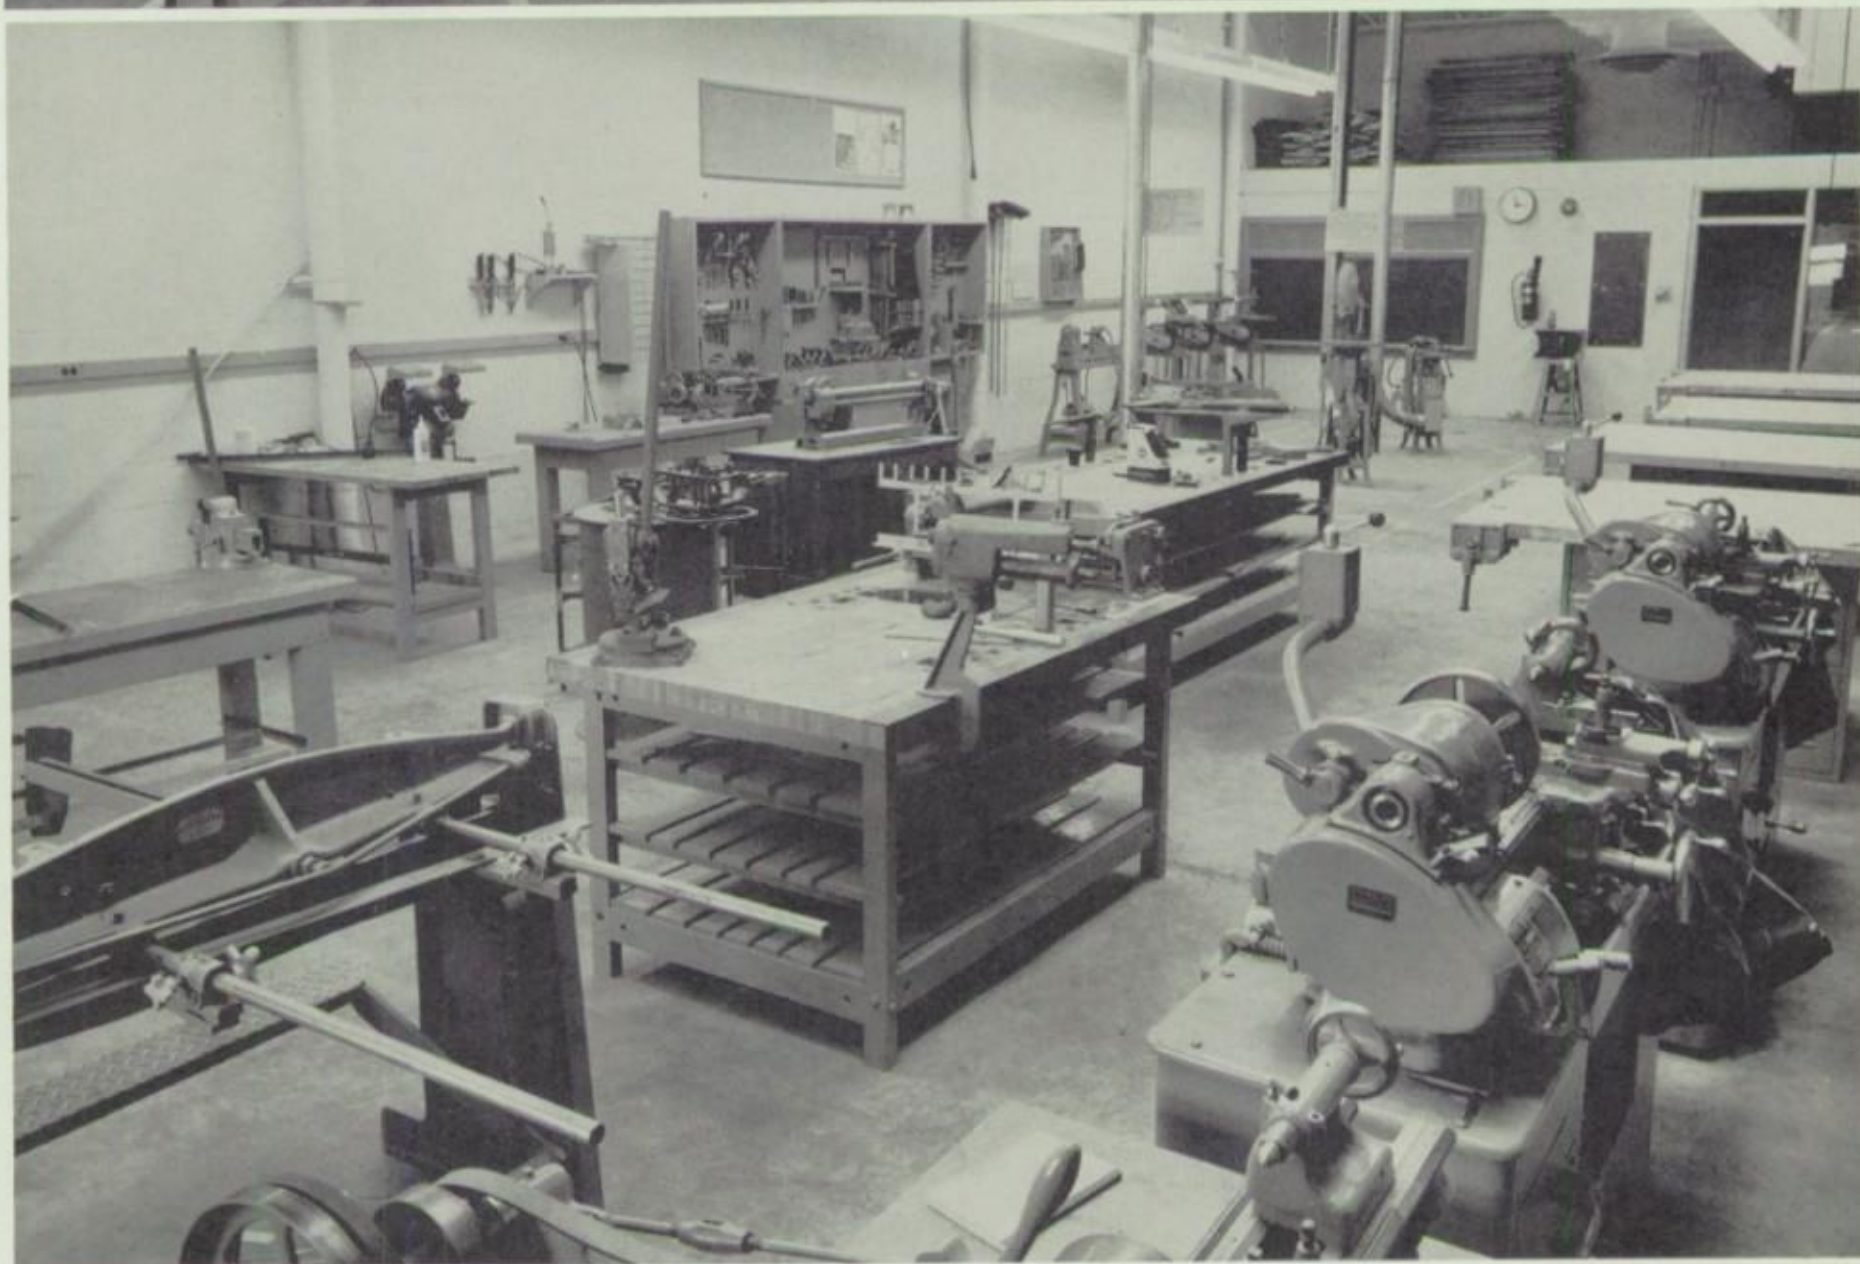

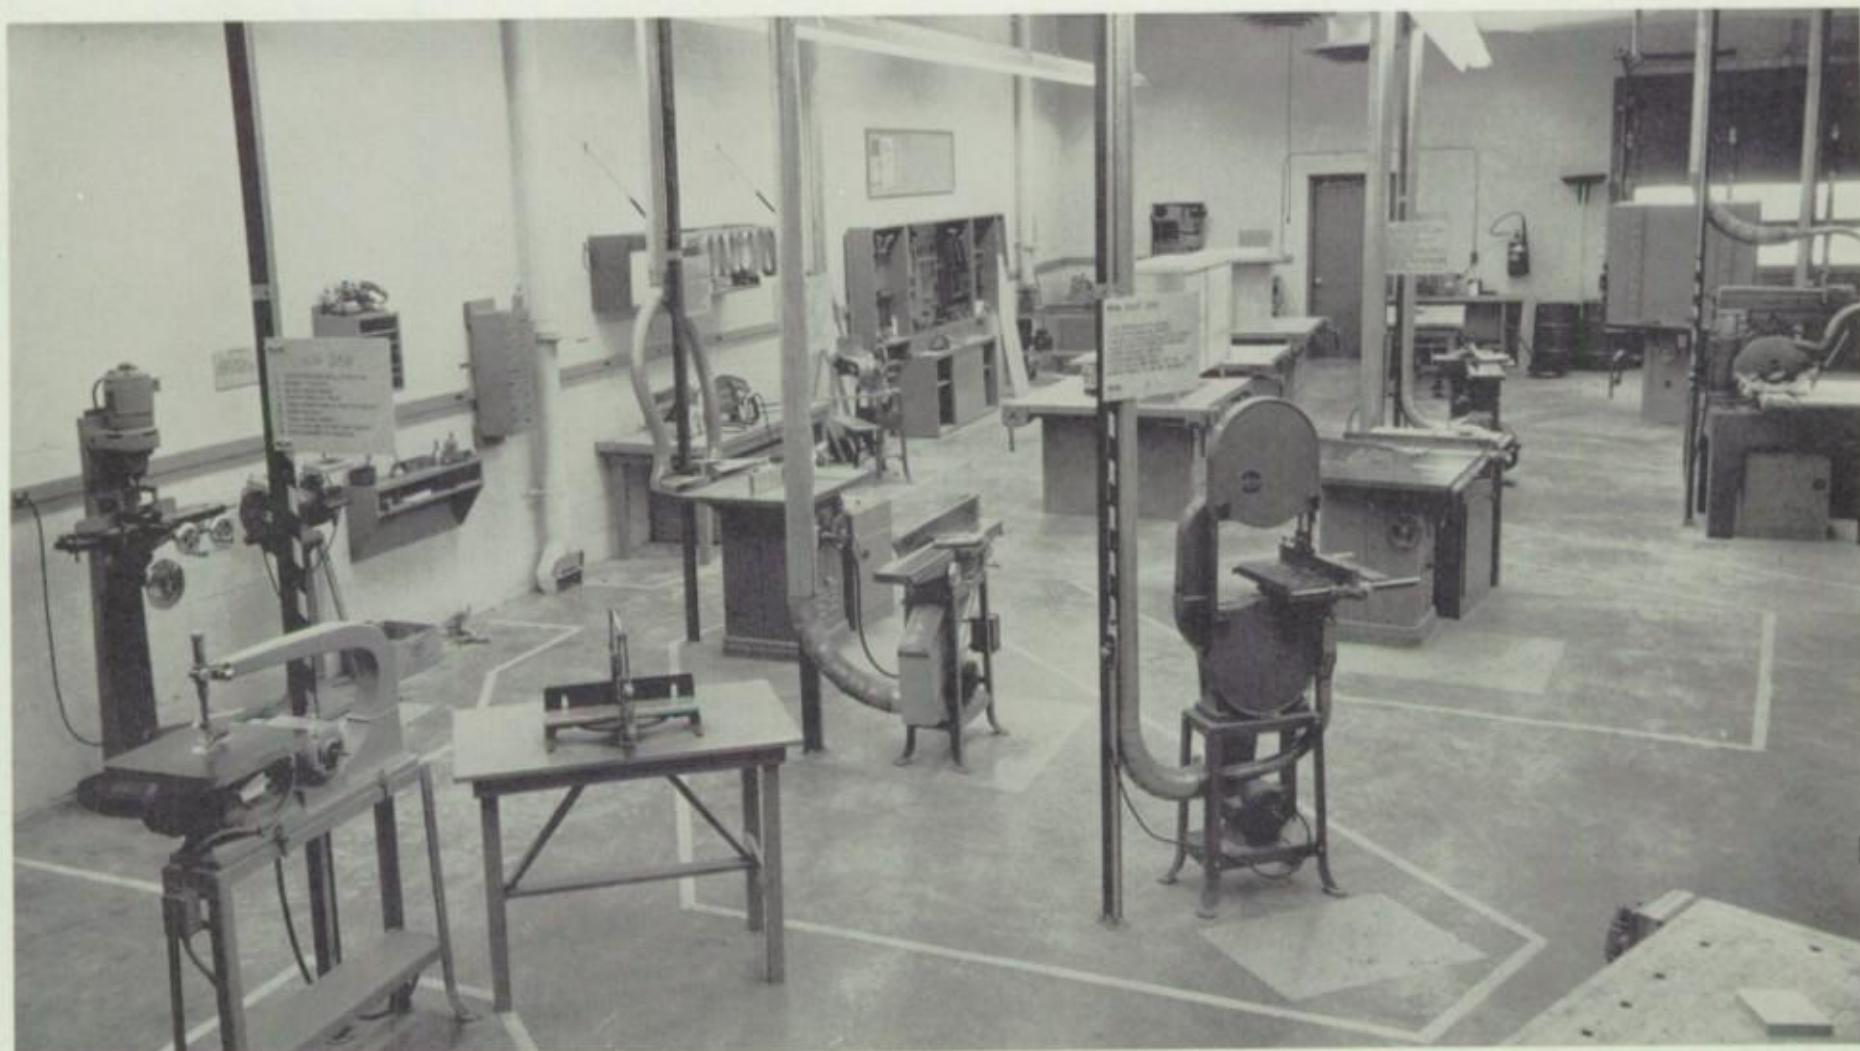

And Our Reopened and Renovated Older Ones

"The early bird gets the worm," is the motto of these four girls, who always seem to be first in line to file past the cafeteria cooks. The cafeteria reopened this year when the new classrooms available to the high school made it no longer necessary to use the cafeteria for classrooms.

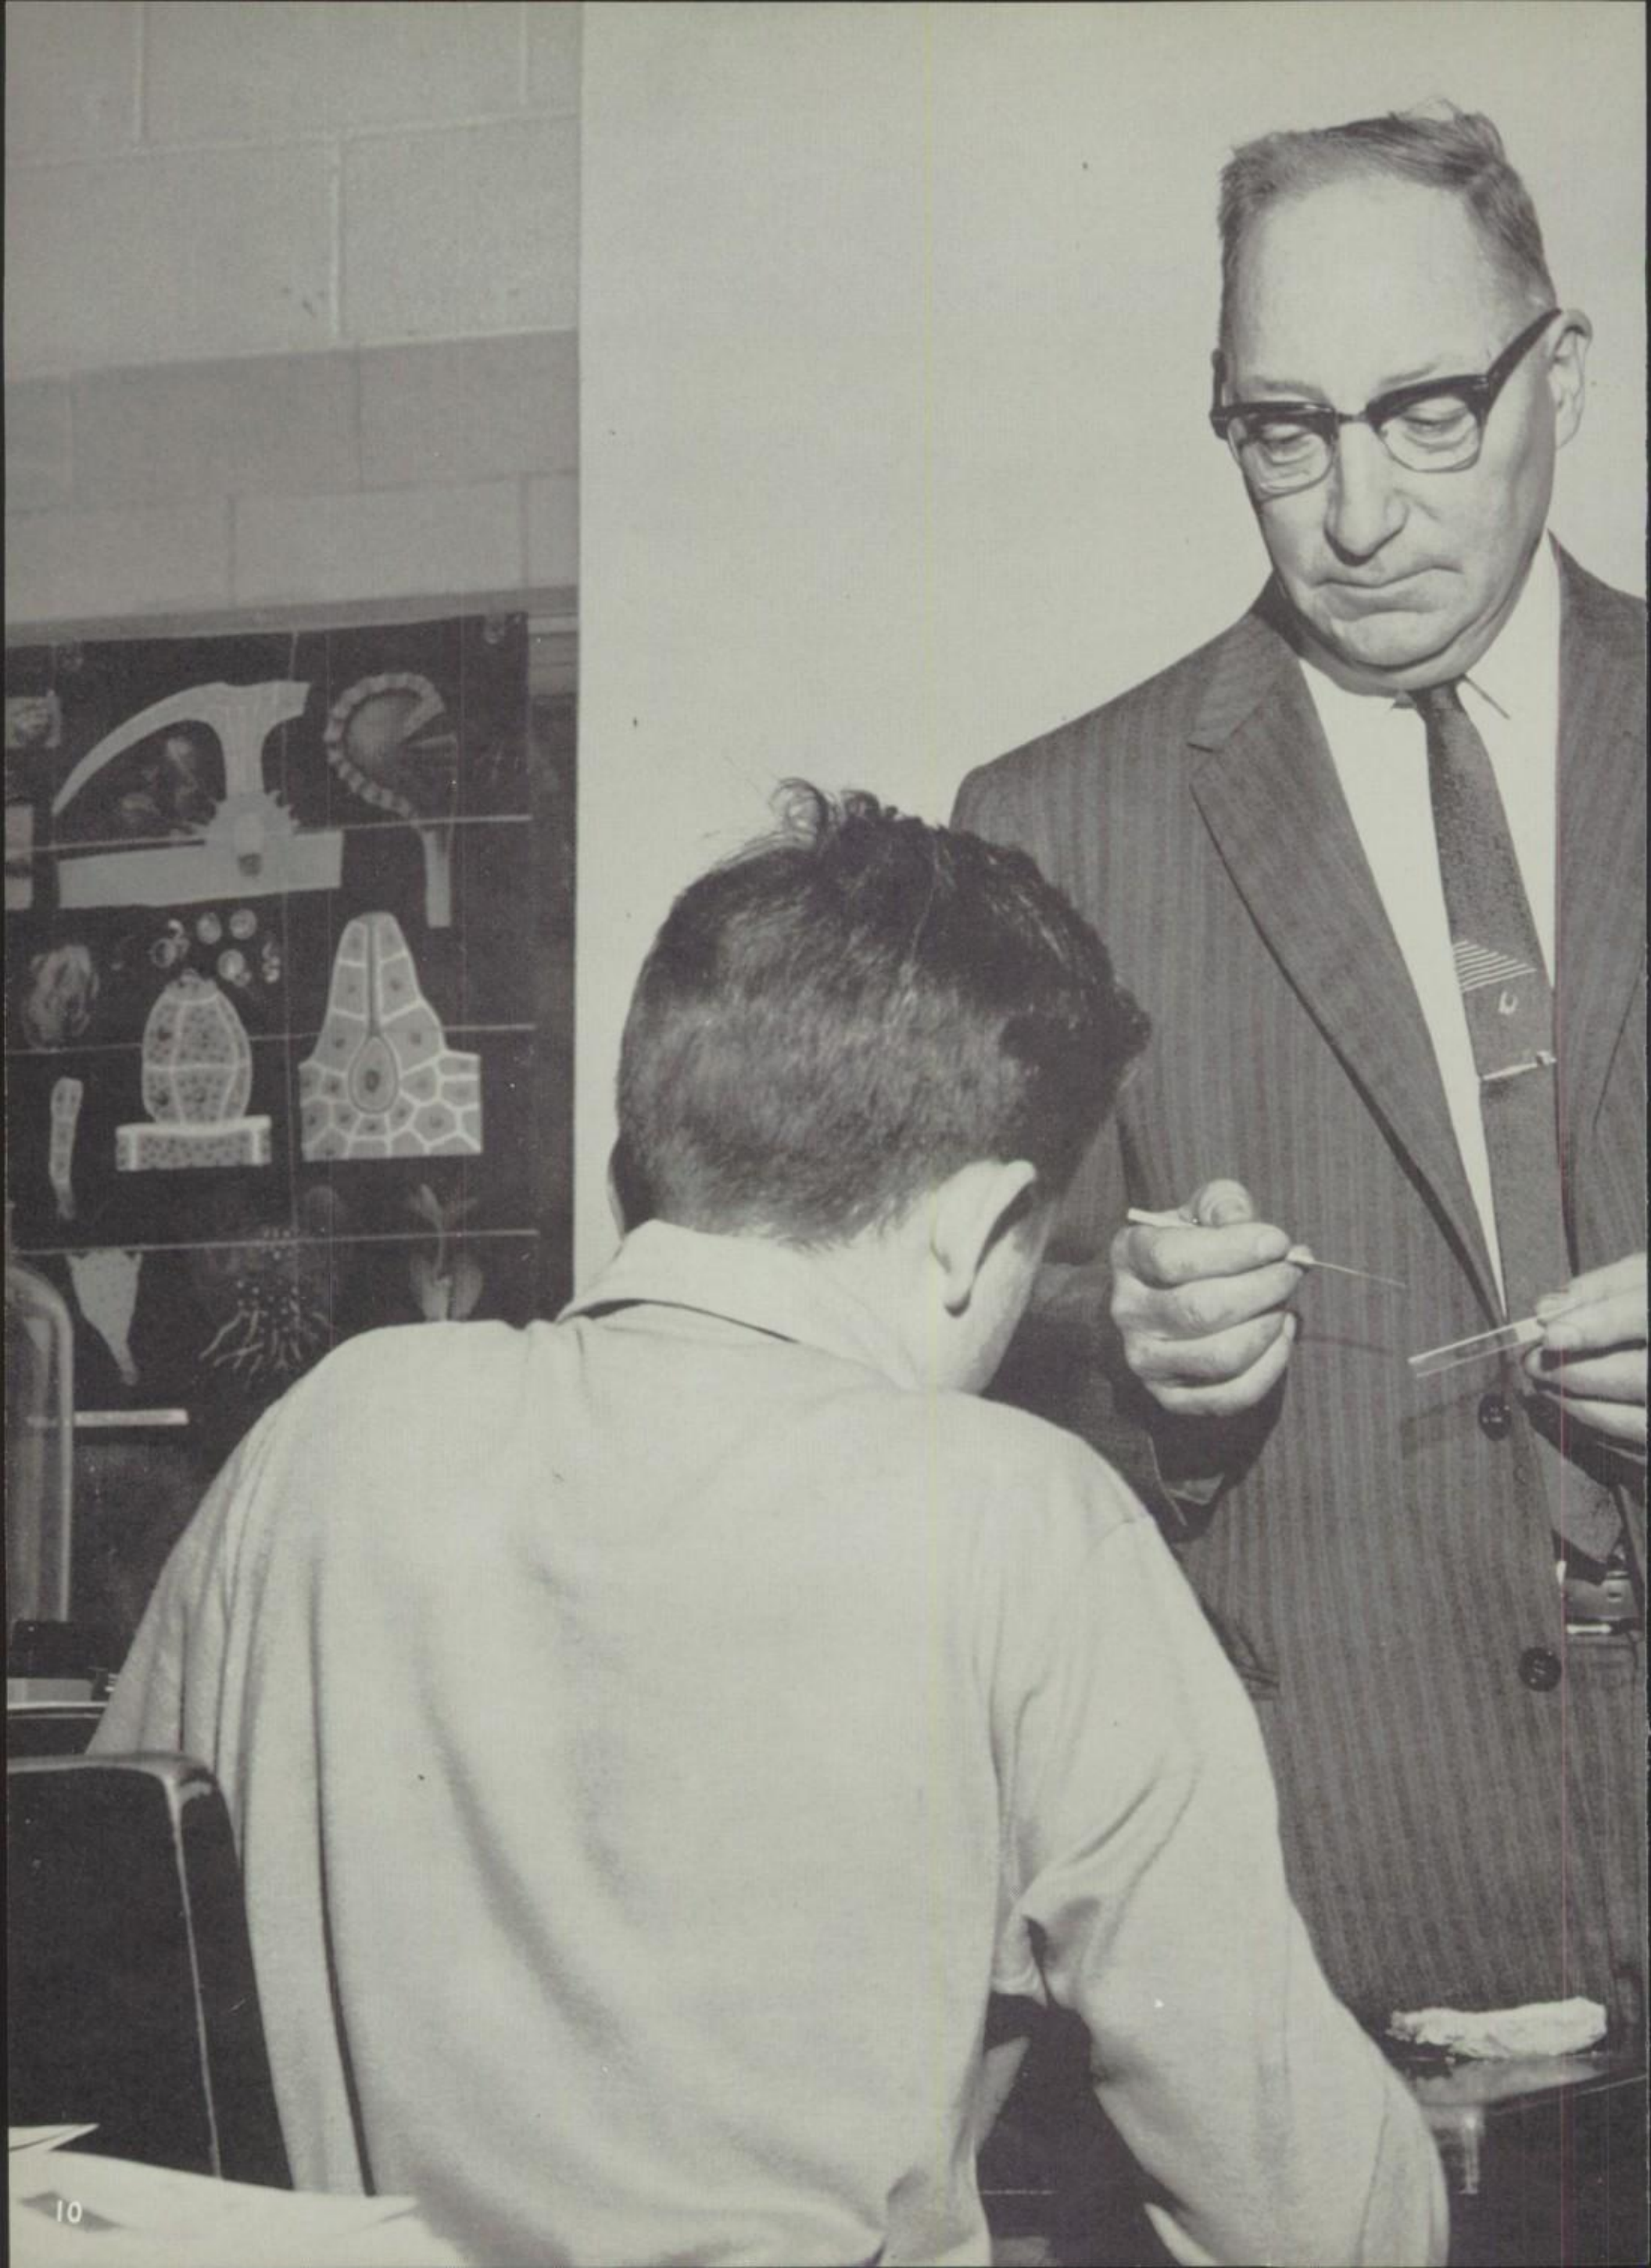

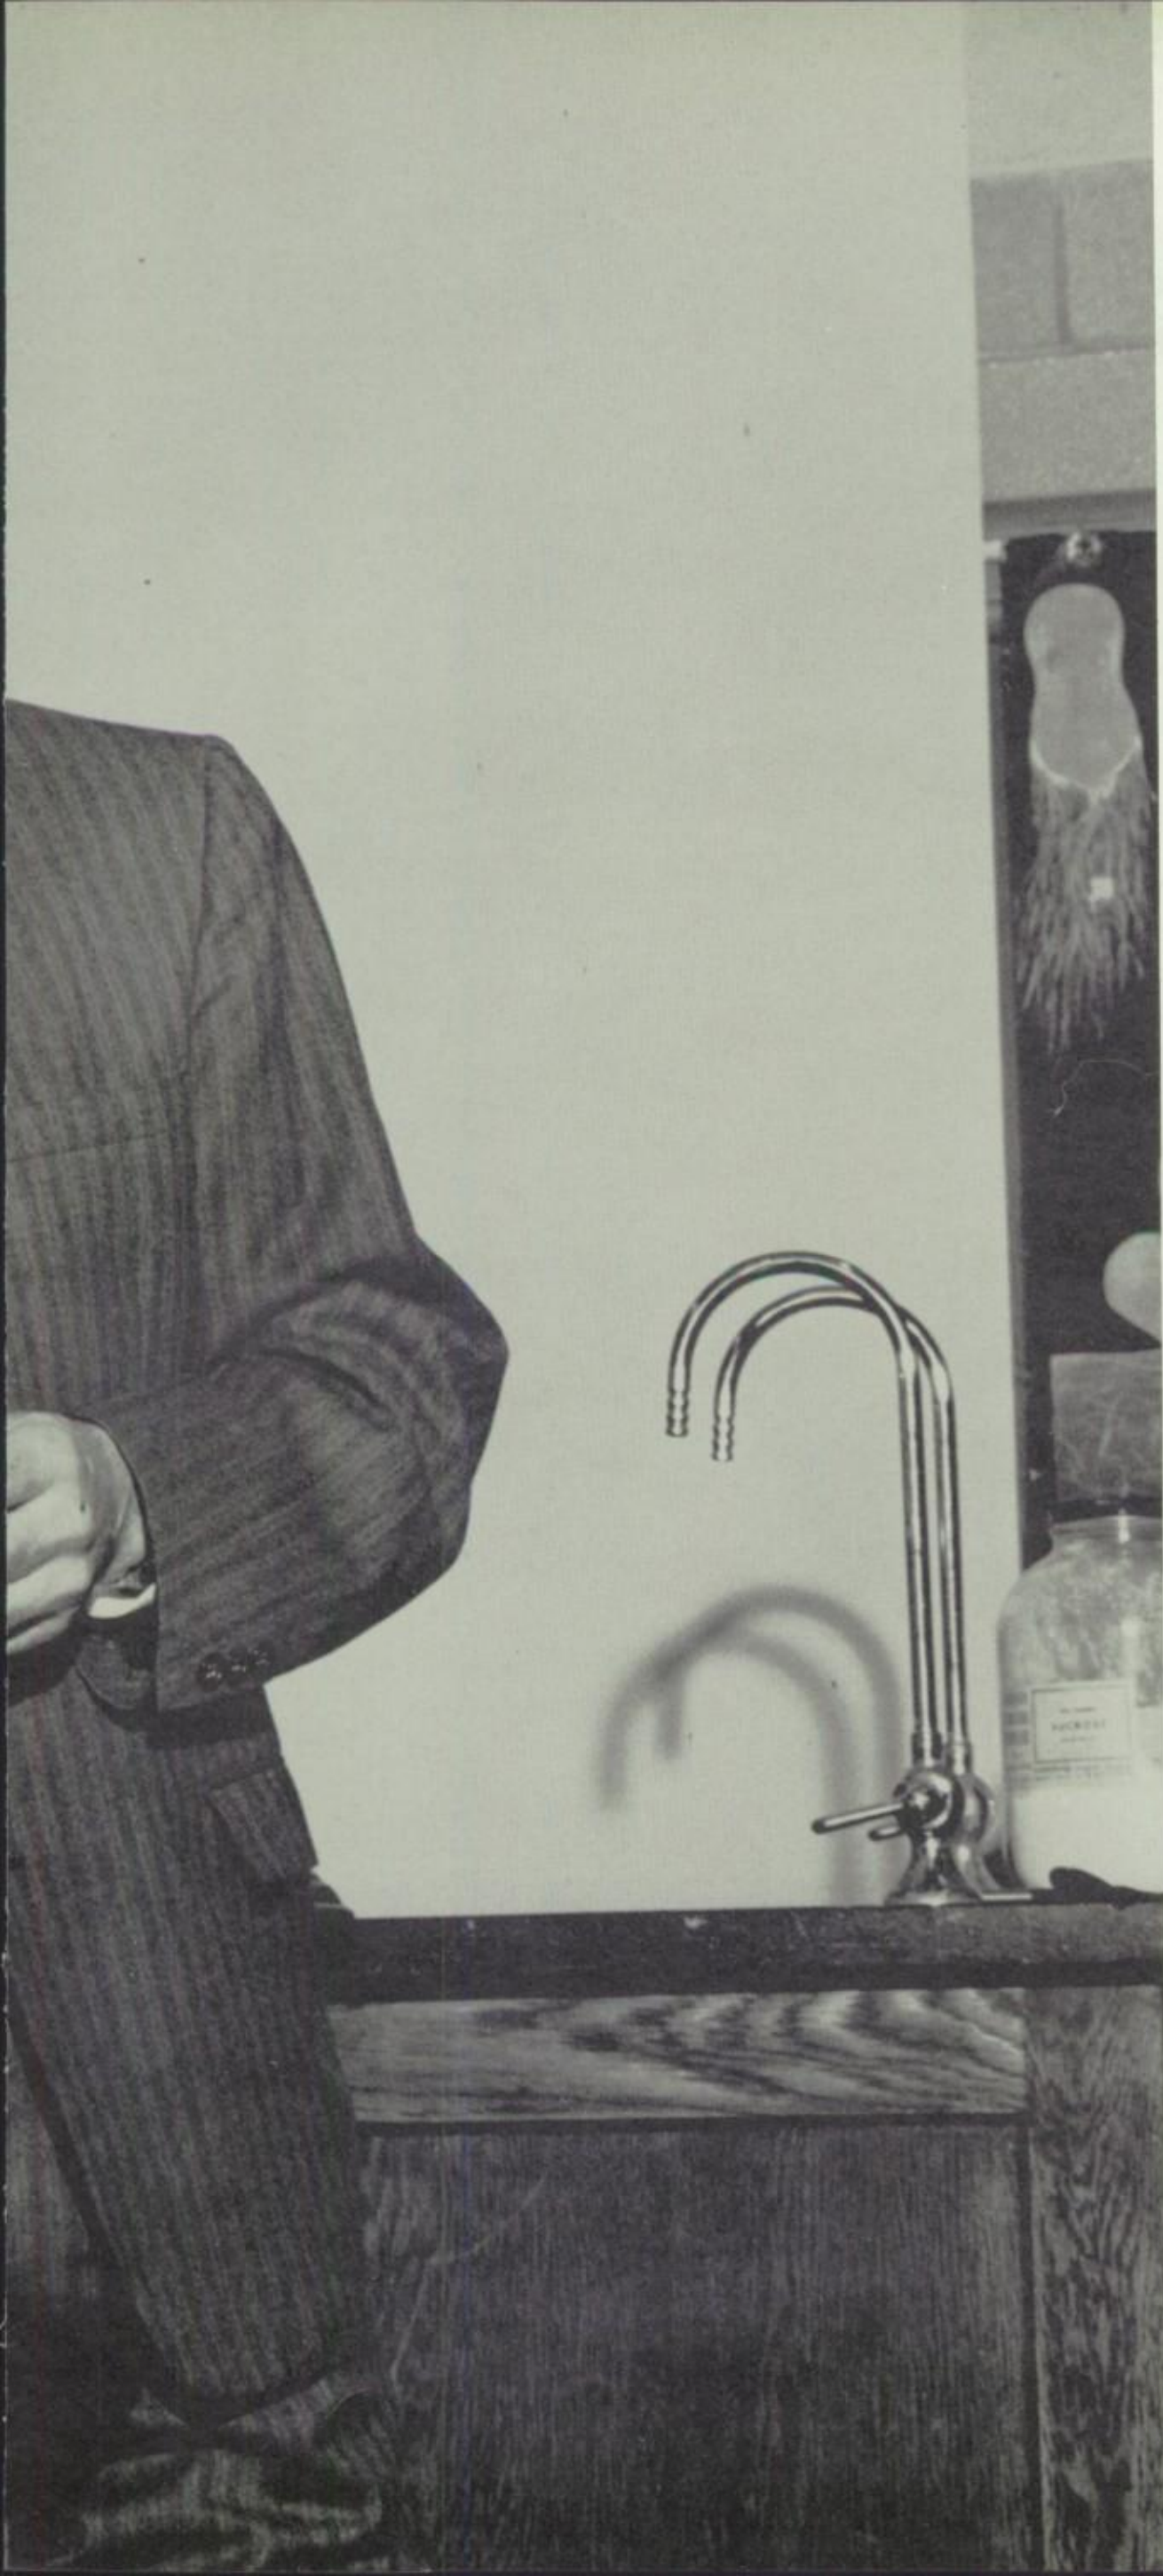

These football fans trail out of the stadium after watching Jackson defeat Lisbon. At left center may be seen part of the new refreshment stand and in the background are the enlarged bleachers and more powerful field lights.

ABOVE: This view is of the North Side of the shop showing jig saws,* band saws, sanders and other woodworking equipment. On the tables in the background are several nearly completed projects.

BELOW: This is the South side of the shop; the area in the foreground is for metalworking, that in the background is for beginning woodworking.

Administration

"Our Days With You"

Our teachers have spent some one hundred and eighty days a year in classes with us in the past four years. During this time they have come to know us well and, we hope, to like us. In the same time we have lost any lingering awe of teachers that we may have had as freshmen, and have come to regard them as our friends. They have always been willing to lend a helping hand whenever necessary, and for this we shall always be grateful.

Administration

Mr. G. L. Rader

Executive Head

This is Mr. Rader's first year as executive head of Jackson. Before he came to Jackson he was superintendent and teacher at Belmont and superintendent and coach at Oakwood. He has also served as dean of boys and health and physical education teacher at Findley Junior High School and as superintendent of Sycamore School.

He is responsible for seeing that the school is run smoothly and efficiently. He is the man who decides whether school will be closed due to local conditions, and it is he the students have to thank for the extra two days of Christmas vacation due to heavy snows.

Mr. Preston Lawrence

High School Principal

Mr. Lawrence has served as principal of the high school for 25 years. He can usually be found helping students arrange their schedules so they will be suitable for the student. Among his other responsibilities he has the job of disciplinarian. Although many times the students think he is too strict, because of this strictness, he has won respect and admiration from the entire student body.

Sets Goals and Plans Methods for Achieving Them

Board of Education

Dr. J. A. Mack, Mr. G. L. Rader, Mr. J. W. Gilmor, President, Mr. W. Essig, Clerk, Mr. M. L. DeWalt, Mr. D. E. Forgan, Mr. R. G. Tilton, Vice President.

The members of the Board of Education are elected by the voting public of Jackson Township. They decide on the policies and manage the financial affairs of the school. Although the students do not often come in contact with the board, it is the final authority on school matters at the local level.

Clerk-Purchasing Agent

These two are responsible for handling the schools funds from day to day. Mrs. June Lorenz, Secretary, Mr. William Essig, Clerk-Treasurer.

Secretaries

These women, well known by all the students, are indispensable. Mrs. Betty Keck, Miss Jackie Young, Mrs. Crystal Poth.

CAFETERIA HELP: Carol Reynolds, Evelyn Brumbaugh, Virginia Swart — Supervisor, Louisabelle Williams, Margaret Seifert, Doris Bright, June Thompson.

Several years ago, to the disappointment of most of the student body, the cafeteria was discontinued. This happened because the levy was not passed, and the cafeteria had to be converted into classrooms. With the cafeteria in operation, we once again have hot lunches which almost all of us appreciate (with the exception of a few perennial grippers.)

Most of the student body agrees that the food is good.

Classes

*"And Our Friends
So True"*

In our years at Jackson we have met many different kinds of people in our various classes and activities. Each of us has made numerous friendships, some of which will remain with us for the rest of our lives. Although it is a completely prejudiced viewpoint, the student body at Jackson is the best anywhere.

Senior Class

SENIOR CLASS OFFICERS: Pat Hency, Secretary; Bill Schroeder, Treasurer; Terry Ulm, President; Sanda Decker, Vice President.

It was a long, hard struggle; but at last we reached our Senior year.

On September, 1949, just twelve short years ago, we entered grade school. All of us were not fortunate enough to be able to start our first year at Jackson, but eventually, we drifted together from our various schools.

Before we knew it, we were starting our first year in high school. We thought we were big stuff our first day in high school even though we were lost. But the Sophomores soon let us know that we weren't as big as we thought.

After we got situated in high school, we started thinking about writing a Constitution. After that was completed we elected officers.

In our Sophomore year we looked down on the new Freshman class and wondered if we were ever that immature. We looked forward to getting our class rings and jackets. Then we had to get down to business and earn some money for the Junior-Senior Prom.

During our Junior year we worked even harder to raise money for the prom. We had paper drives, sock hops, and bake sales. Finally we had enough money for one of the best Junior-Senior Proms ever held.

At last the long awaited year arrived. During that year we had many things to look forward to. One thing was tests, tests, and more tests. But the tests were easily forgotten as the Seniors trudged to the Sachsenheim Club, December 30, for the Senior Prom. The theme, "Mistletoe Magic," was quite appropriate for the season. After that we had Commencement.

At last the years have come to an end, but we will always remember them.

The Senior class wishes to express their gratitude to our two advisors, Mr. Amacher and Mr. Burgess, for their assistance and guidance through the years. They were always ready to help us when we needed it.

The Freshman Class officers were not chosen when the other officers were. They are waiting until the Constitution of the Student Council has been drawn up and ratified so that their constitution can be patterned after it. This class and all those following will not meet in large groups but rather in smaller groups with representatives from these groups meeting together.

Mrs. Rohrbaugh and Mrs. Pfouts are doing a fine job of advising this class.

Student Life

*"Are the Happiest
Days of Our Lives"*

Whenever a group of people gets together something new and unexpected frequently happens. These spontaneous incidents breathe life into a daily routine.

No picture of high school life would be complete without some mention of these happenings that kept school from becoming dull.

Jackson Students Meet Famous People

When former Vice-President Richard M. Nixon was on his political campaign, he stopped at Canton. While he was giving his speech at the auditorium, the Junior Class was fortunate enough to be able to wash his car. The car-washing delegation arrived early and waited several hours for the Vice-President.

After the speech, several of the students met Mr. and Mrs. Nixon. Mrs. Nixon gave them flowers and pens. This is an experience the Junior Class will remember for a long time.

Charlie Berry, major league baseball umpire and football referee (by the way he's Mrs. Rownd's father) visited Jackson to tell of some of his humorous experiences in baseball and football. Mr. Berry has refereed a championship football game. The Junior English class enjoyed having him very much.

Ja-Bee Adds New Interest To Jackson

Roy Kershaw helps Ja-Bee get ready for another pep rally.

It seems Jackie needs a little help with her part in the rally, and good old Ja-Bee is helping her out.

Lawren Coltrin was chosen from many junior and senior applicants who wished to represent our school's spirit.

In order to be eligible for this honor, a boy must maintain a "C" average and have a good character.

The addition of a mascot has helped to improve our school spirit.

Here Ja-Bee and the cheerleaders lead the student body in "Victory." This time it's done with a beatnick theme.

A Little of This and That

Is it really this hard to get make-up on Heath?

These students (eagerly?) await getting their grades.

George discusses some probable shots with Bill Schroeder and Harry Rennecker.

Several students and Mr. Gates got together for this shot at the Music contest on February 4.

Freshman Class Officers: Ed Meek, President; Deanna Stephen, Vice President; Bruce Simpson, Treasurer; Mary Jo Zettler, Secretary; Mrs. Rohrbaugh and Mrs. Pfouts, Advisors.

Senior Boy Excels Socially and Scholastically

William Schroeder, a well-known figure in the halls of Jackson, has distinguished himself in many fields during his four years in high school.

Bill is an extremely personable fellow, who is always willing to give that extra little bit that means so very much when the pressure is on. He always has a smile and a kind word for you.

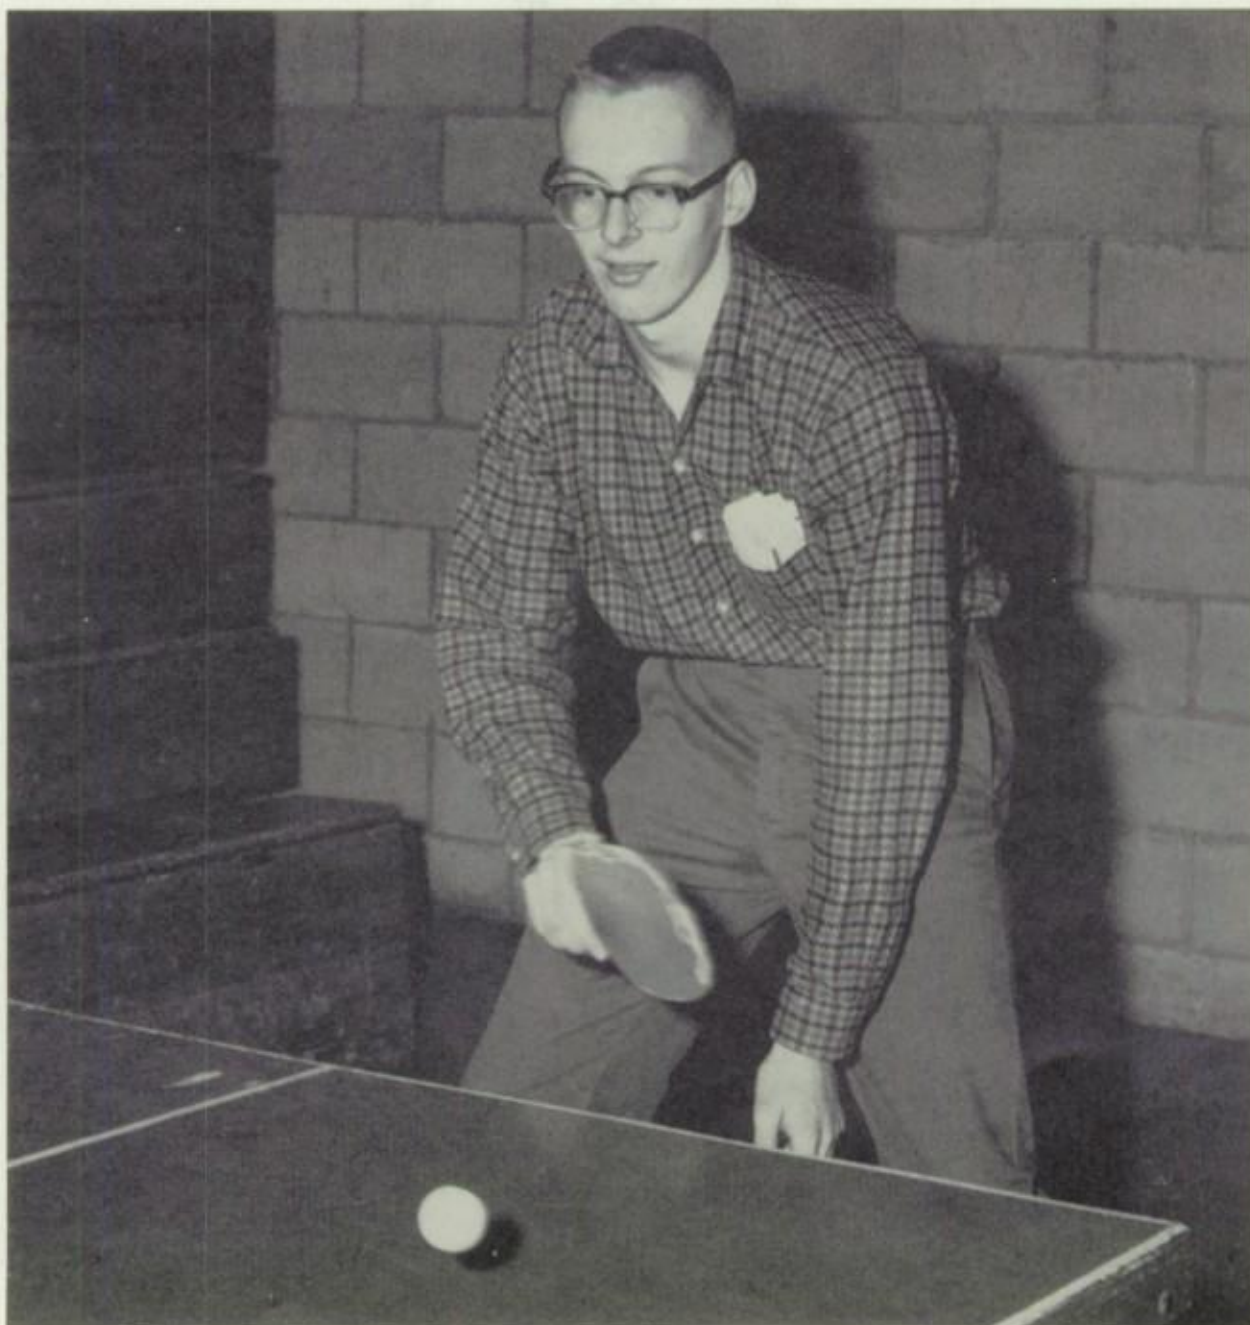

Bill leads his class with a four point average. This year he was Validictorian of his class. He placed in the 99.999 percentile in the Ohio State Psychological Test, by missing only four out of a possible one hundred and fifty. Every year, for the past four years, Bill has taken part in the Scholastic Scholarship Testing program carried on all over the State. He has always placed high in the local, district, and State tests. This year when Bill took the College Board examination, he scored seven hundred and thirty out of eight hundred in both the mathematics and verbal sections.

William's club activities vary from National Honor Society, of which he is president, to Hi-Y, in which he is an active member. This year Bill was Treasurer of his class. He has also had roles in both of his class plays. In the field of photography, Bill is a natural. This year he was photographer for the Bear Facts. Also for the past three years he held the position as photographer on the annual staff. This year he is Editor-in-Chief of the Scoop. Here again Bill shows his willingness to give a little more. Any time of day or night that you find yourself up that old creek, just give Bill a ring and he will help you find your way, literally speaking, to dry land.

Bill's leisure hours are spent in the enjoyment of a good book (he thrives on a good Sherlock Holmes), a rousing game of football on the corner lot across from his house, or that old standby, a friendly game of cards with the boys.

We wish to congratulate William on all his fine achievements and we wish him the best of luck and good fortune in the furtherment of his education and all that he endeavors to accomplish.

By the way, this article is a dedication to Bill, by the Scoop Staff. We are sure Bill does not know this page is here.

MISS PAT HENGY

*Dennis,
So a very nice
underclassman I've enjoyed
knowing. Now fun in
years to come at J.H.S.
Best of luck in everything
you do.*

Miss Pennie Keller
240 East Boulevard
Canton, Ohio
Dear Dennis,

From the pictures that you and Bill
Schroeder gave me I have chosen Harley Mann and
Helen Tingling to be Mr. and Miss Jacksonite.
The character, personality, and looks of all the
contestants certainly reflect the fine calibre of
the students who attend your school.

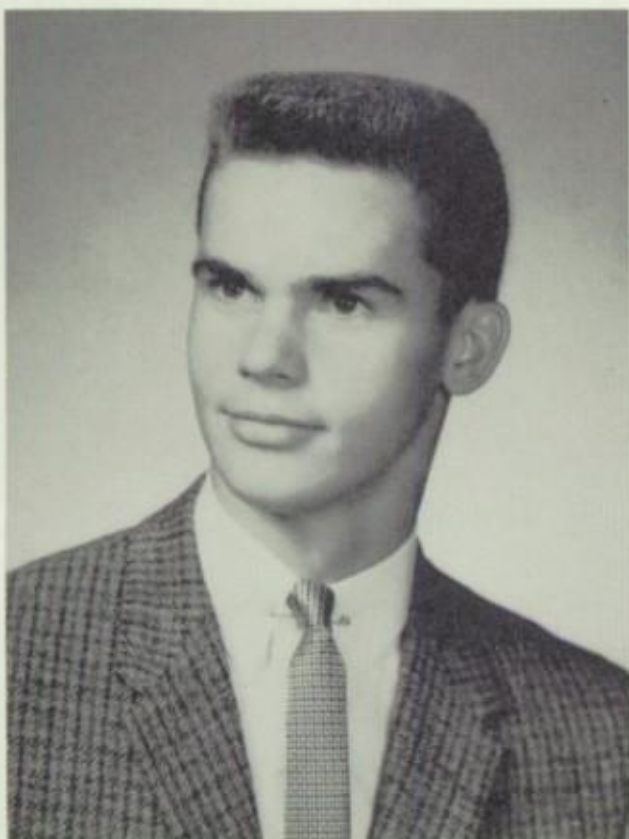

I enjoyed very much judging this contest,
and I thank you for the honor.

Very truly yours,
"Specs" Howard
Frederic Howard

MISS JUDI ELDER

Candidates For Mr. Jacksonite

MR. HARRY RENNECKER

MR. TERRY UIM

This year the Scoop has sponsored the Mr. and Miss Jacksonite contest.

All seniors with a 2.5 average or better are eligible to be contestants. This list of contestants was then submitted to the senior class and each member voted for five boys and five girls on popularity. The pictures of the ten boys and girls receiving the highest number of votes were then sent to Troup & Pluto, who chose five boy and five girl finalists. These finalists were then asked five questions that required personal answers. A list of the questions, their answers, along with their pictures were sent to "Specs" Howard of KYW who chose the winners.

We congratulate the winners.

MR. MARTIN GRADIJAN

MR. BOB KERSHAW

*Dennis
lots of luck in all
you do during life.

Activities

"We'll Sing a Song"

Music is one of the many extra-curricular activities at J. H. S. These varied activities and organizations give us the opportunity to associate with others who share our interests and abilities. They contribute to the formation of a well-rounded student and teach us to appreciate our fellow students and our school. Without them to provide a change of pace, school could quickly become drudgery.

Recognition of Outstanding Students

Senior Members

ROW 1: Jill Reiderman, Carol Baer, Sandy Decker, Nancie Ronk, Judy Lee, Betty Horst, Treasurer; Sandy Smith, Janet Cushing.
ROW 2: Mr. Rader, Superintendent; Louise Fierstos, Carole Lockard, Vice President; Charlene Meek, Judy Yant, Darlene Bolea, Sue Schiltz, Mr. Colson, Advisor. ROW 3: Sue Boyd, Marta Alexander, Secretary; Terry Ulm, Bill Thackwell, Bill Schroeder, President; Ernie Petscher, Chuck Naylor, Sue Whitacre, Betty Rohr.

National Honor Society

To be chosen for the National Honor Society is the greatest academic honor possible at Jackson. Students who are considered for the honor are voted upon by the faculty.

One must maintain a "B" average to be elected on the N.H.S. Eligibility is then considered on certain qualities one possesses; one's service to the school, leadership in various organizations, and character.

One of the main objectives of the society is to promote an enthusiasm for scholarship throughout the school and encourage students to continue in their education.

On February 9, was held the moving candlelight assembly of the N.H.S. A group of thirty juniors and three seniors was inducted into the society. Four senior members explained the four principles of the N.H.S. and Mr. Rader presented the pins.

Joe Wiandt, having been tapped by Louise Fierstos, is about to become a member of the National Honor Society.

Bill Schroeder, president of N.H.S., welcomes the students and faculty to the assembly and explains the principles of the society.

Chosen for N.H.S.

Nanci Ronk prepares to administer the oath of the N.H.S. to its new members.

Craig Darragh passes the light of education to Elaine Culler during the candlelight ceremony.

Elaine Culler is congratulated by Mr. Rader upon her admission into the society and receives her pin.

NEW MEMBERS

ROW 1: Donna Fisher, Kathy Nelson, Sharon Harrold, Frances Hoffman, Kathy Waldron, Diane Parr, Sandi Lamp, Peggy Persinger, Carolyn Livingston, Diane Higgins. ROW 2: Dean LeBeau, Bill Petscher, Suzanne Michael, Lynn Smyth, Carol Cogan, Elaine Culler, Pennie Keller, Linda Shafer, Julie Grimm, Nancy McArdle, Connie Tilton, Bob Kershaw, Craig Darragh. ROW 3: David Amacher, Frank Fair, David Stamman, Dan Pickering, Jay Bernhart, Jim Angle, Bob Weimer, Joe Wiandt, Dave Day, Harry Rennecker.

Honoring Journalistic Abilities and Creativeness

Quill and Scroll

ROW 1: Sue Schiltz, Louise Fierstos, Bill Schroeder, Helen Yingling, Sandi Decker. ROW 2: Mrs. Bond, Advisor; Carole Lockard, Charlene Meek, Pennie Keller, Elaine Culler, Carol Cogan, Julie Grimm. ROW 3: Nanci Ronk, Nancy McArdle, Harry Rennecker, Joe Wiandt, Terry Ulm, Darlene Bolea, Donna Fisher.

Quill and Scroll is an International Honorary Society for High School Journalists. To be eligible, one must be either a junior or senior on the Bear Facts Staff or Scoop Staff. In addition to this, one must rate in the upper one third of his class scholastically, and must have accomplished superior work in some phase of journalism.

The purpose of the society is to encourage and reward individual achievement in journalism and allied fields.

Mr. John Baker, news announcer on radio station WHBC, was the guest speaker at the assembly on February 6. Also four one-year members of the society spoke on the obligations of the members: truth, dependability, leadership, and initiative at the impressive candle-light ceremony in which thirteen new members were inducted.

Helen Yingling, president of Quill and Scroll, administers the oath to the newly inducted members.

Representing the Student Body in All Matters

ROW 1: Kathy Willaman, Jeanne Halter, John Arnold, Benny Prato, Bruce Simpson, Judy Lee, Sandy Lamp. ROW 2: Mr. Dutka, Advisor; Sandi Decker, Secretary; Joan Mack, Mary Jo Zettler, Ed Meek, Penni West, Bill Day, Karen Etling, Deanna Stephen, Sandy Smith. ROW 3: Tom Graening, Denny Hostetler, Frank Fair, Bill Zettler, Joe Wiandt, Bill Schroeder, Dave Day, Treasurer; Wayne Longbrake, Terry Ulm, President; Harry Rennecker, Vice President; Bob Russ.

Student Council

An added asset this year has been the creation of a student council at Jackson. This is a student government organization in which there are four representatives from each class plus the president and vice president of each class, who are official members. In addition, there are four alternates.

The purposes of Jackson's Student Council are: to develop attitudes of and practice in good citizenship, promote harmonious relations throughout the entire school, improve student-teacher relationships, improve school morale and spirit, provide orderly direction of school activities, and promote the general welfare of the school.

The council holds meetings twice every month where any problems which arise among the students are discussed and acted upon.

The duties of the Student Council are carried out through its nine committees.

Terry Ulm, president of the newly organized Student Council, presides over one of its meetings.

The Ability to Speak Well

Practically every Saturday is a busy one for an N.F.L. member as speech contests are held at area schools nearly every weekend of the year.

A typical day for a contestant consists of three rounds of speaking lasting approximately 60 minutes each.

Besides this busy schedule much time must be spent in outside preparation for these contests.

Membership is based on the number of points earned at the various contests.

ROW 1: Susan Bethel, Susan Corbett, Katie Tidball, Jo Anne Rohr, Darlene Bolea.
ROW 2: Mrs. Howard, Wanda Harper, Joyce Savchenko, Elaine Martin, Julie Grimm.
ROW 3: Nancy Perault, Bob Coffey, Don Ash, Dan Reynolds, Lila Reynolds.

Future Teachers of America

FUTURE TEACHERS is open to any Sophomore, Junior, or Senior student interested in teaching as a profession.

The students in the club have opportunities to observe or teach in the grade school and junior high. Each member gloriously awaits their turn to teach school.

The club has a meeting once a month.

Some of the speakers who have spoken at the meetings are Mr. Rader, Mr. Brumme, and Miss Small.

FUTURE TEACHERS of America has planned varied projects this year.

Mrs. Mildred Ramga is the club advisor.

Mr. Brumme speaks to F.T.A. about "Teaching as a Profession" at one of their meetings.

Future Nurses of America

The common interest of all who are members of this organization is to enter into some phase of medical work. By attending the monthly meetings, the girls learn of the different careers that are open to them in the medical field, the requirements, responsibilities, opportunities, and characteristics of the different jobs.

During the year the members have attended open houses at Massillon's, Akron's and Canton's hospitals and have heard interesting comments on nursing by the Tri-County nurse representative and other trained nurses. They also participated in the annual banquet for the Massillon area F.N.A. clubs. A few members took part in the dance at the American Legion Hall sponsored by the Student Nurses Association.

Advisor of the Future Nurses is Mrs. Baxter.

Judy Lee, president, presides over one of the monthly meetings.

ROW 1: Roberta Weltlich, Cathy Guilliouma, Serena Greer, Deanna Stephen, Jo Ann Rohr, Barb Davis, Linda Roberts. French Clubs

One of the aims of the French I CLUB is to learn more about parliamentary procedures in conducting meetings. Another goal that the club attempts to achieve is to gain more practice in the use of conversational French and gain information about France and its people.

The FRENCH II CLUB'S goal is to further their knowledge of the French language and the French way of life.

The activities include singing Christmas songs in French at Christmas time, sponsoring a dance, attending a movie, and taking part in the French I Club induction.

Meetings are held during class and the students play French games to conclude their monthly meetings.

Advising the group is Mr. Geib.

Senior Class Play

"You Can't Take It With You" is a comedy in three acts which was presented by the Senior Class on November 18, 1960.

The play was centered around Alice's reluctant introduction of her boyfriend's parents to her off-beat family. The play was very humorous and never lagged. There was plenty of action such as trays of china being dropped, firecrackers exploding, snakes being exhibited, a discus thrower, and ballet and music.

These are just some of the very amusing antics which happened during the presentation.

The play was given under the direction of Mrs. Charlé Rownd.

The Bear Facts Staff

To keep the students informed of the events which take place in J.H.S. is the aim of the Bear Facts. Each month the paper is published under the watchful eyes of Mrs. Bond, the advisor, and Helen Yingling, Editor. There are many different features which keep the students aware of what transpires in the halls of Jackson.

Each month when the paper comes out, students are eagerly reading the interesting and delightful articles that are written by the staff members for the students' enjoyment and enlightenment. There are articles in the paper to please both the boys and the girls, anywhere from fashion to sports.

The staff has sponsored a dance and visited the Canton Repository Newspaper.

SENIORS: Bill Schroeder, Editor-in-Chief and photographer; Mr. Ramga, Advisor; Carole Lockard, Senior Editor and Assistant Typist; Charlene Meek, Typist; Harry Rennecker, Business Manager.

There are many jobs for a Scoop Staff member to do. Just a few of them are: choosing a theme, deciding on a cover, planning the book, setting up and taking pictures, writing copy, laying out pages, and selling advertising.

Planning of the book began in August 1960; however, three of the annual staff members attended the Ohio University Journalism Workshop in June to exchange ideas with other students from all over the country. The staff then worked laboriously to meet all their deadlines and rejoiced at the final deadline on February 21, 1961.

Choir

Mr. Lewis, the new choir director, has produced a fine choir this year. The boys and girls who are members of the choir practice often so that they will be ready to put on an excellent program at the various assemblies throughout the year. It takes work but the satisfaction the members and director receive from it and the enjoyment both the students and faculty derive from it is well worth the effort.

The choir's first performance was at the Thanksgiving program. On December 18, they sang at St. Paul's Episcopal Church with the sixth grade select choir.

This Spring the choir put on a delightful light comedy.

The choir also sang for the student body at the Easter Assembly and climaxed the year by singing at Commencement.

Girls' Ensemble

This year the girls have appeared at quite a few places besides school. They have sung for the teachers at one of their meetings, for the Canton Women's Club at the Beldon Hotel, and for the Men's Club at the Church of the Lakes.

They appeared in the spring concert and practiced diligently for the various music contests.

Jackson Memorial

Athletic Association

Mr. Matthews, Advisor; Dennis Hostettler, Roy Kershaw, Sandy Matthews, Pennie Keller, Vice President; Jim Harold, Dick Sheehan, Helen Yingling, President; Carol Cogan, Secretary-Treasurer; Deanna Stephen, Peggy McCort.

This is the club that sponsors our football and basketball banquets and the homecoming. The J.M.A.A. works in conjunction with the Booster Club and helps stimulate school spirit and athletics.

During the year they sold scarves and polar bear stickers to raise money for the club's programs.

They hold regular monthly meetings. Mr. Matthews is their advisor.

Girls' Athletic Association

The purpose of this club is to promote athletics among girls. Not only do the girls of this organization participate in "playdays" with other schools and compete in sports, but they also learn to maintain high standards of character and good sportsmanship under Mrs. Baxter's guidance.

This year the club has had basketball competitions with other schools and playdays both at home and away. They also have intra-squad competition.

This year they bought sweatshirts to wear to the playdays.

Y-Teens

This year the Freshman-Sophomore Y-Teens and the Junior-Senior Y-Teens combined their clubs into one efficient organization.

The Y-Teens are affiliated with the Massillon Y.W.C.A. and their purpose is to promote Christian fellowship.

Active is the one word that best describes the Y-Teens this year. In September was held the first meeting, an initiation picnic to welcome the new members into the club. Among the other activities was a Christmas party, a superb formal held at Meyer's Lake with all the Massillon and Canton Y-Teens on November 25, a film on Hawaii, a coaches panel, and a mother-and-daughter tea.

Y-Teens is mainly a service organization. They help those in Jackson Township by collecting food and clothing.

A cookie drive, Christmas caroling, a Y-Teen Rally held at Massillon for all Massillon area schools, a dance in November in which the admission was cans of food, and in March a visit to Massillon State Hospital, are a few of the service projects sponsored by the Y-Teens.

Once a month the Y-Teens meet. Miss Richie is their advisor.

Freshman-Sophomore Future Homemakers of America

Membership in the Future Homemaker's Club is open to girls who are interested in home economics and are taking Home Economics.

Among their programs they had a dinner and travel slide, fixed baskets for the needy at Thanksgiving and Christmas, and sponsored the Thanksgiving assembly. To raise money for social events, the club sold Christmas wrappings.

Mrs. Lininger is the advisor.

Junior-Senior Future Homemaker's Club

One of the several purposes of the Future Homemakers Club is to learn more advanced methods of home-making. All girls who are taking home economics are eligible to enter the club.

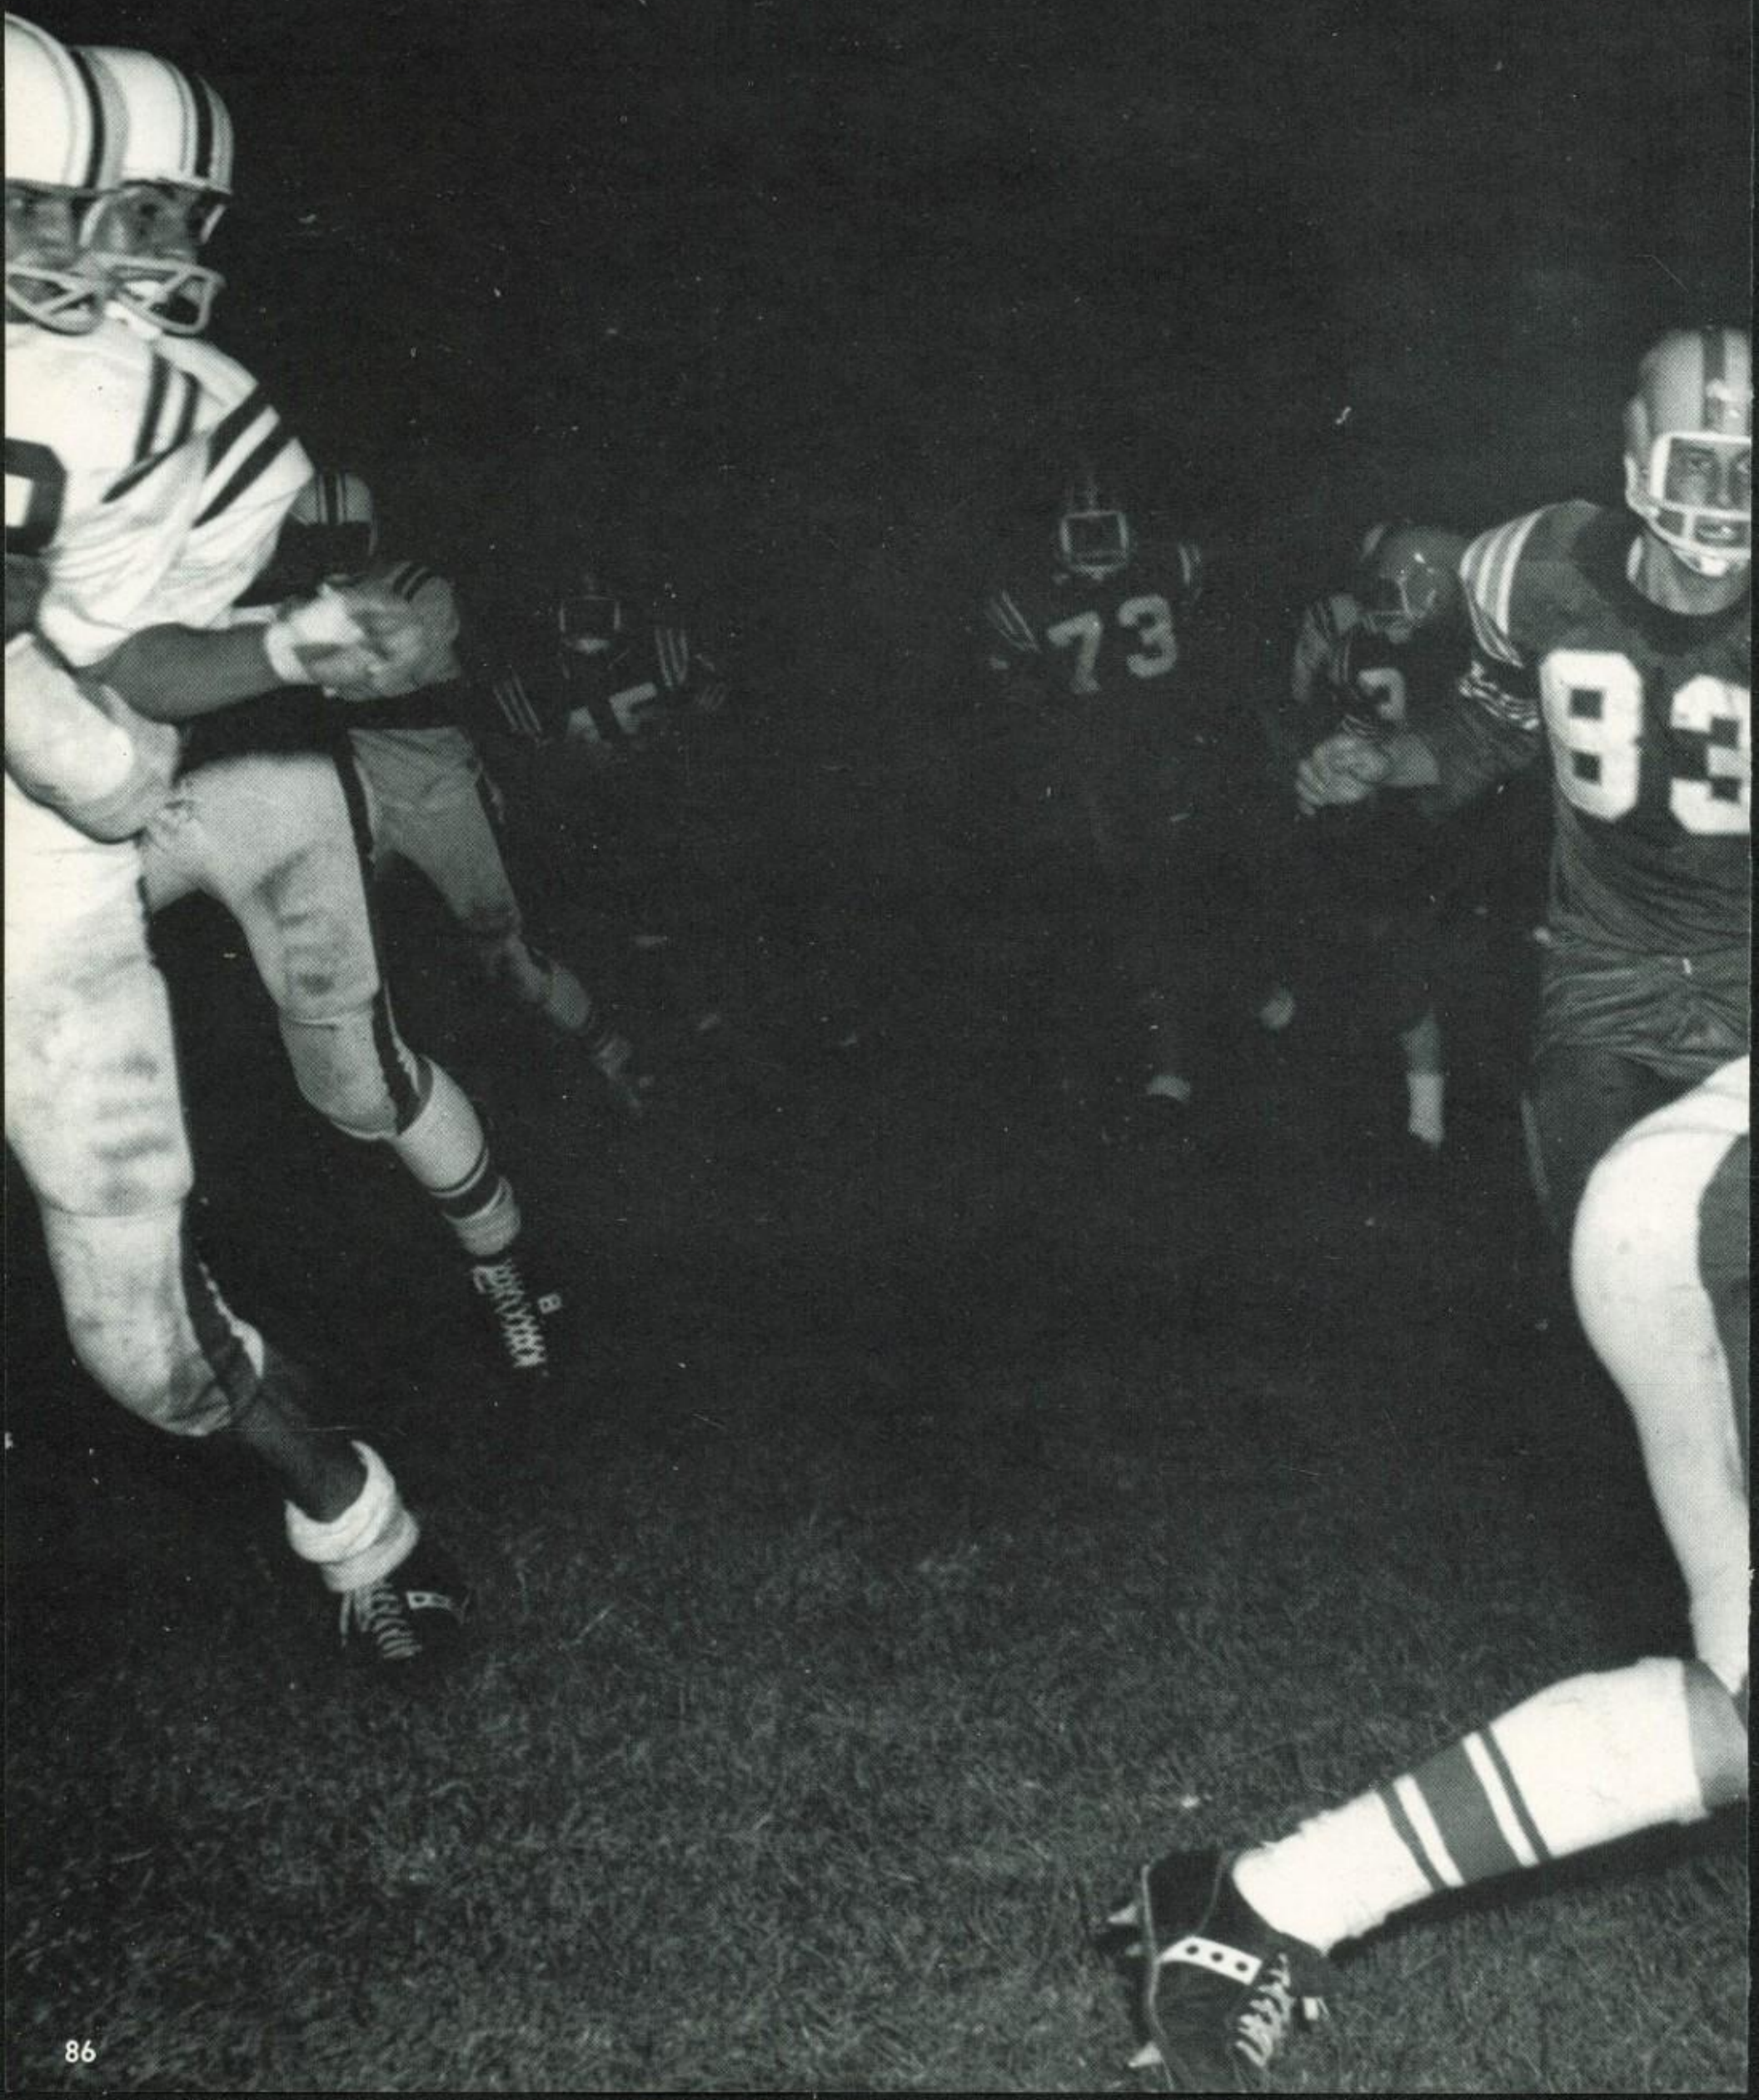

Among their service projects of this year have been fixing baskets of food for needy families in the Jackson district at Thanksgiving, visiting the Children's Home in Akron, and sponsoring the Thanksgiving program along with the Freshman-Sophomore club.

The activities included a roller skating party, Christmas caroling, and the annual Spring Formal on March 4, which was the highlight of the activities.

Miss McCoy advises this group.

Pam Bixler and Judy Ivins, sophomores, are sewing diligently in their class. I wonder if they always seem this busy.

Athletics

*"To Our Athletes
Strong,
To Our Teams
That Never Fail"*

Jackson's athletic teams are the symbol of the desire in all of us to do a little bit better than we did last year. This desire compels the teams and their coaches to spend many long hours developing individual abilities and team co-ordinations. Whether they succeed in achieving their goal or not, they have not failed if they have tried their best, for experience and knowledge come from the trying.

The Boys on Our Team

Varsity Football

The Jackson Polar Bears won their third consecutive class AA League Football Championship, while compiling a 5-4 record. The Polar Bears also took the offensive and defensive honors in the league by scoring 104 points to 14 points scored against them by their opponents.

In the league the Bears started out by avenging a 14-6 defeat at the hands of Canton South last year by defeating them 20-8. Next the Bears romped over Glenwood 28-0. The Polar Bear machine then rolled to an easy 40-0 victory over Sandy Valley. In the final league game, which would decide if Jackson was to be the undisputed winner of the Class AA crown or tie for top honors in the league, the Bears traveled to Perry. In one of the hardest-fought games of the season the Bears defeated Perry 16-6.

In non-league action the Bears were defeated 24-14 at the hands of Orrville. In the next game against a strong Central Catholic team the Bears were defeated 6-0 in a hard-fought game that could have gone either way. At homecoming the Bears came up against Northwest. Northwest scored 8 points early in the first quarter, which proved to be the margin of victory, the final score being 8-0. Against our arch-rival, North Canton, the Bears came out on the short end of a 14-12 score. The Bears ended the season on a winning note by romping to a 28-8 score over Lisbon.

The season was climaxed by the Football Banquet on November 30, at the Town and Country restaurant. At this banquet the players were honored and the co-captains for next year's football team were named. They are Bruce Rohrer and Jim Leonard.

The Cheerleaders Lead The Team To Victory

RESERVE CHEERLEADERS: Sue Gilmor, Ruth Sommers, Dawn Daniel, Jackie Brumbaugh.

Our Cheerleaders

This year we are lucky to have nine hard working cheerleaders. Their working has paid off in big dividends, as we probably have the prettiest, best working (and co-ordinated) cheerleaders in the county. The girls have done a fine job throughout the year and always keep everyone at the games cheering, and behind the boys on the floor.

VARSITY

This year's basketball record doesn't appear to be outstanding, but we had a very exciting season. School and team spirit increased as the season progressed. Our boys played to the best of their ability, never forgetting the meaning of sportsmanship and teamwork.

Tom Eckert and Larry Lutz, who are the co-captains, are the only seniors on the team. The rest of the team is made up of five juniors and four sophomores. They progressed steadily throughout the season and next year's team shows great promise.

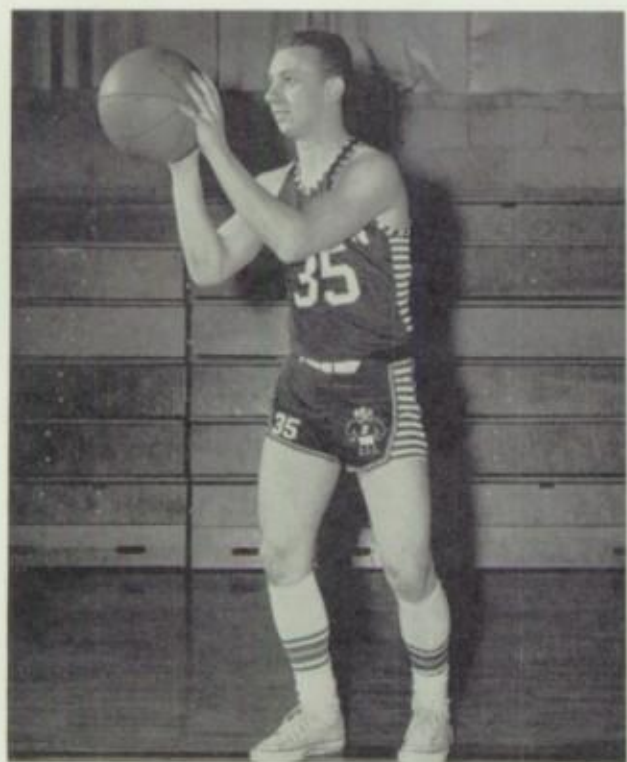

Jackson will play Green High School in the Canton Area Tournament on February 21.

The J.M.E.A. is planning to have a basketball banquet this Spring.

This year the Hi-Y Club has two teams, an "A" team and a "B" team.

The "A" team bowed out of the holiday tournament in the first round, while the "B" team advanced to the semi-finals in the tournament at the Canton YMCA. Mr. Garner, the team's coach, has taught the team the full-court press and the plays that help in winning a game.

"B" TEAM

ROW 1: Tom Rohr, John Arnold, Jim Goodwin. ROW 2: Dave Gowing, Dennis Huey, Ray Davis, Chris Hite, Bruce Rohrer.

Academic

*"So in All We Do
Be Brave and True"*

The academic side of school is, of course, the most important of all. In the effort to develop a well-rounded student by various athletics and activities, the real reason for the existence of school is sometimes neglected. We are proud of the academic excellence of Jackson High School and do our best to maintain and extend it at every opportunity.

We Develop Ability to Communicate

At the beginning of the second semester, Jackson welcomed Miss Biddle, the new American Literature teacher. The Junior Class play was also coached by Miss Biddle.

In the first and second year courses of English, grammar is stressed and a variety of literature is explored.

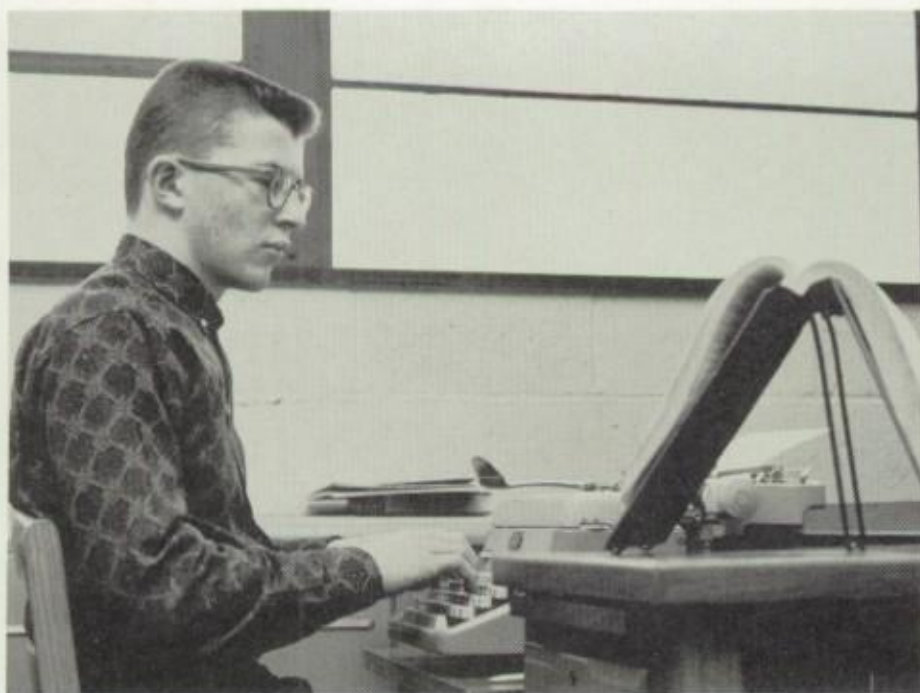

In the third and fourth years, literature is important because through extensive reading, students develop new understandings and sympathies, increased sensitivity to beauty, and a variety of interests which make for enjoyable and meaningful lives.

During the courses of English in high school, the students have the opportunity to develop their ability to speak before classes. This ability will benefit the student now and in the future.

There is also an opportunity for self-expression in the writing of themes, compositions, and short stories. Besides all the abilities gained through these experiences, there is the satisfaction of having acquired knowledge and developed talent in these important fields.

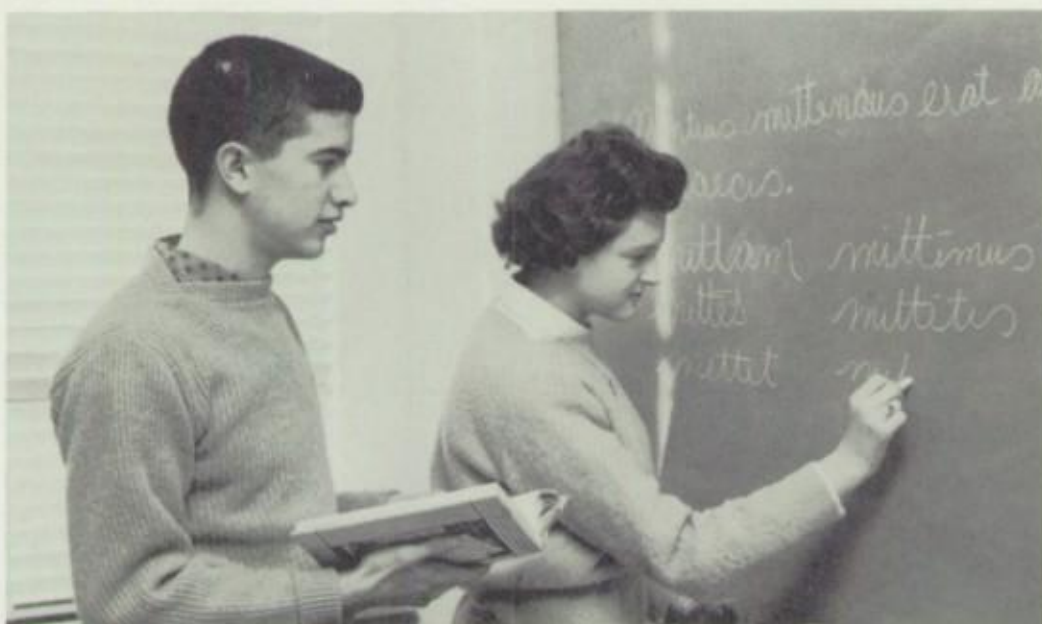

Gary Scott is giving his oral report which is an important phase in English.

Typing is one of the subjects comprising the secretarial major's course. The course offers the specialized training necessary to develop good office practice and supply the information to produce good stenographers. Typing is also useful to a student planning to go to college.

and Understand People of Other Countries

Joyce Sommers and Bill Burton are preparing for a test on conjugating verbs. In Latin II there is advanced study on verb conjugations and the students translate "Caesar's Gallic Wars."

World conditions make the knowledge of languages more and more valuable.

At Jackson, a student has the opportunity to study Latin and French.

Latin is the basis of many languages and is an invaluable aid to the English student and to the student who is entering the field of medicine.

Students acquire the basic fundamentals of Latin and French the first year and proceed to more interesting reading and study in advanced courses.

Betty Horst and Mr. Geib read a French magazine which was brought to the French classes last year by a visitor from France.

Office machines is one of the subjects offered in the business course. The subjects comprising the business or book-keeping major offer the specialized training intended to develop office skills and furnish the information which will produce good bookkeepers and business clerks.

We Appreciate Our Technological Environment

Terry Ulm and Martin Gradijan determine the specific heat of a lump of metal while Mr. Sweterlitsch and Ralph Wellendorf prove Boyle's Law during one of the various Physics experiments.

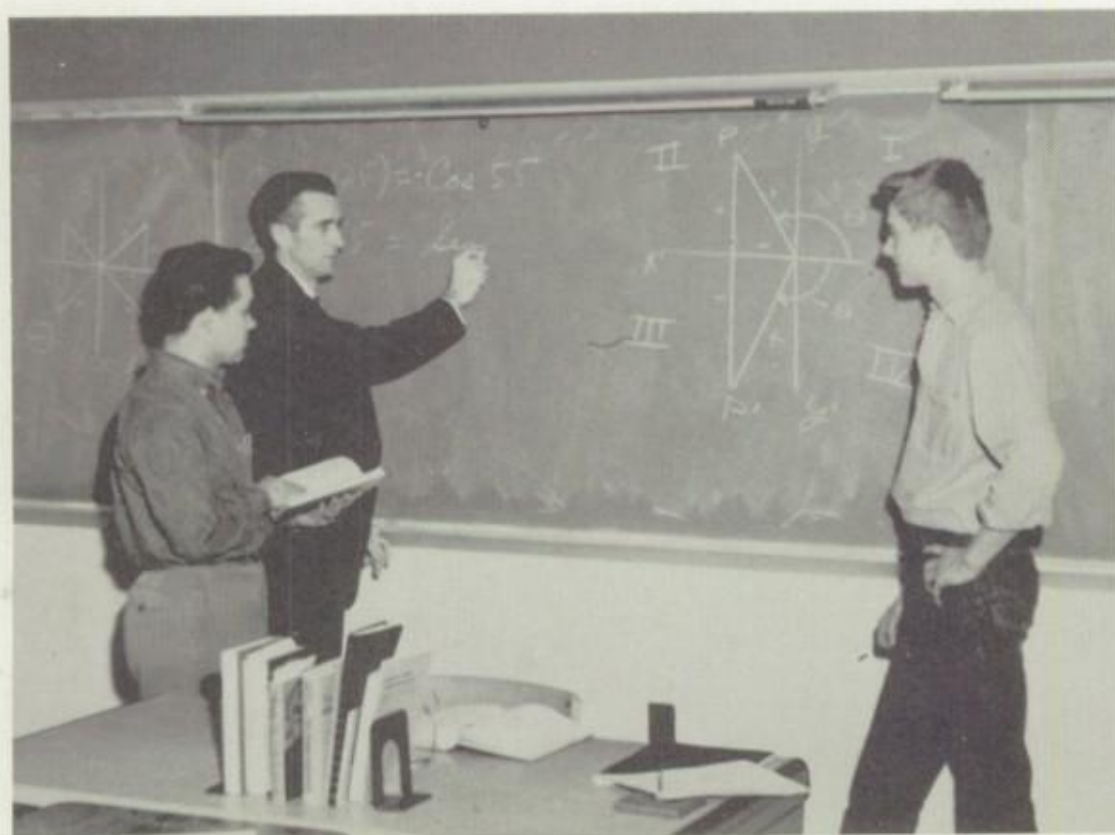

Four courses of science are offered at Jackson. General Science is the first course, an exploration of many phases of the scientific field.

Biology reveals the relationship between plant and animal life. It lays the foundations for medicine, nursing, and many professions and hobbies.

Chemistry enables the student to appreciate the role of chemicals in their lives. Another objective of the course is to instill scientific thinking and reasoning.

Physics concentrates on the laws and problems that affect the various technical fields and also our everyday life. It also is concerned with scientific and mathematical measurements.

Dissecting is one of the important phases of biology. The examination of the body parts aids the students in learning their function. The students dissect worms, crayfish, grasshoppers, frogs, and various other creatures of nature.

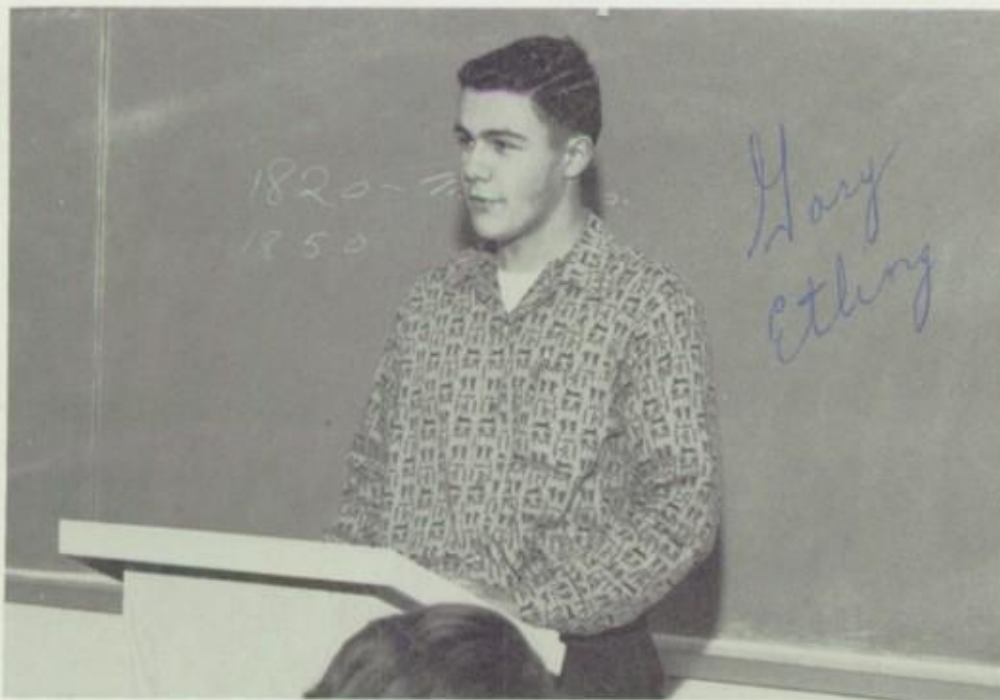

Sound fundamentals in mathematics is a prerequisite for students desiring to enter most fields of our highly technological society.

and the Freedom We Enjoy in Our Democracy

Donna Fisher, Bruce Rohrer, Mary Jane Yingling, Karen Stayer, Kenny Hays, and Jan Gilmore debate the issues on the Presidential election in a panel discussion.

This report by Gary Etling is one of the many reports given on current events or topics pertaining to the assignments given during the six weeks periods.

The Social Studies fill an important and significant place in the school curriculum. The subjects which they include are of special interest because they are concerned with people, their history, their systems of government, social structure, and economic orders.

Courses in World and American History are related to the record of man's activity throughout the ages. The system of government is illustrated by American Government, in which the responsibility of a citizen to his government is stressed.

Basketball is one of the main sports played in both boys' and girls' gym classes. Physical education is important in that it develops body coordination. It also helps achieve mental and physical well being.

Two years of Physical Education are required for graduation.

And Learning to Use Tools and Equipment

Drawing with precision is necessary in Mechanical Drawing.

Mechanical Drawing, Metal Shop, Woodworking and Electrical Shop are part of the curriculum of the Industrial Arts Course.

The mechanical drawing course aids a student who plans to study architecture, engineering, drafting, and other related fields.

There are four courses offered in metal shop. Welding, forging, sheet metal work, and metal lathe comprise the course. The students learn proper safety precautions in metal shop.

Learning the woodworking trade provides the knowledge of a skill which can be an occupation or hobby. The student gains insight in using the different tools and machines related to the woodworking field.

The knowledge of the principles of electricity and the wiring of circuits are a few of the facts acquired in electrical shop. There is a study of related fields, and it is useful to the student interested in electrical engineering.

The regular maintenance of the equipment in metal shop is necessary.

There are many different projects throughout the year which the students accomplish.

Preparing for Everyday Living

The Home Economics students have various clothing assignments throughout the year. Terry McNutt is working on her sewing project.

All girls at Jackson are urged to take at least one year of home economics before graduation for education in everyday living. In cooking, the girls learn how to preserve foods and to plan, cook, and serve meals.

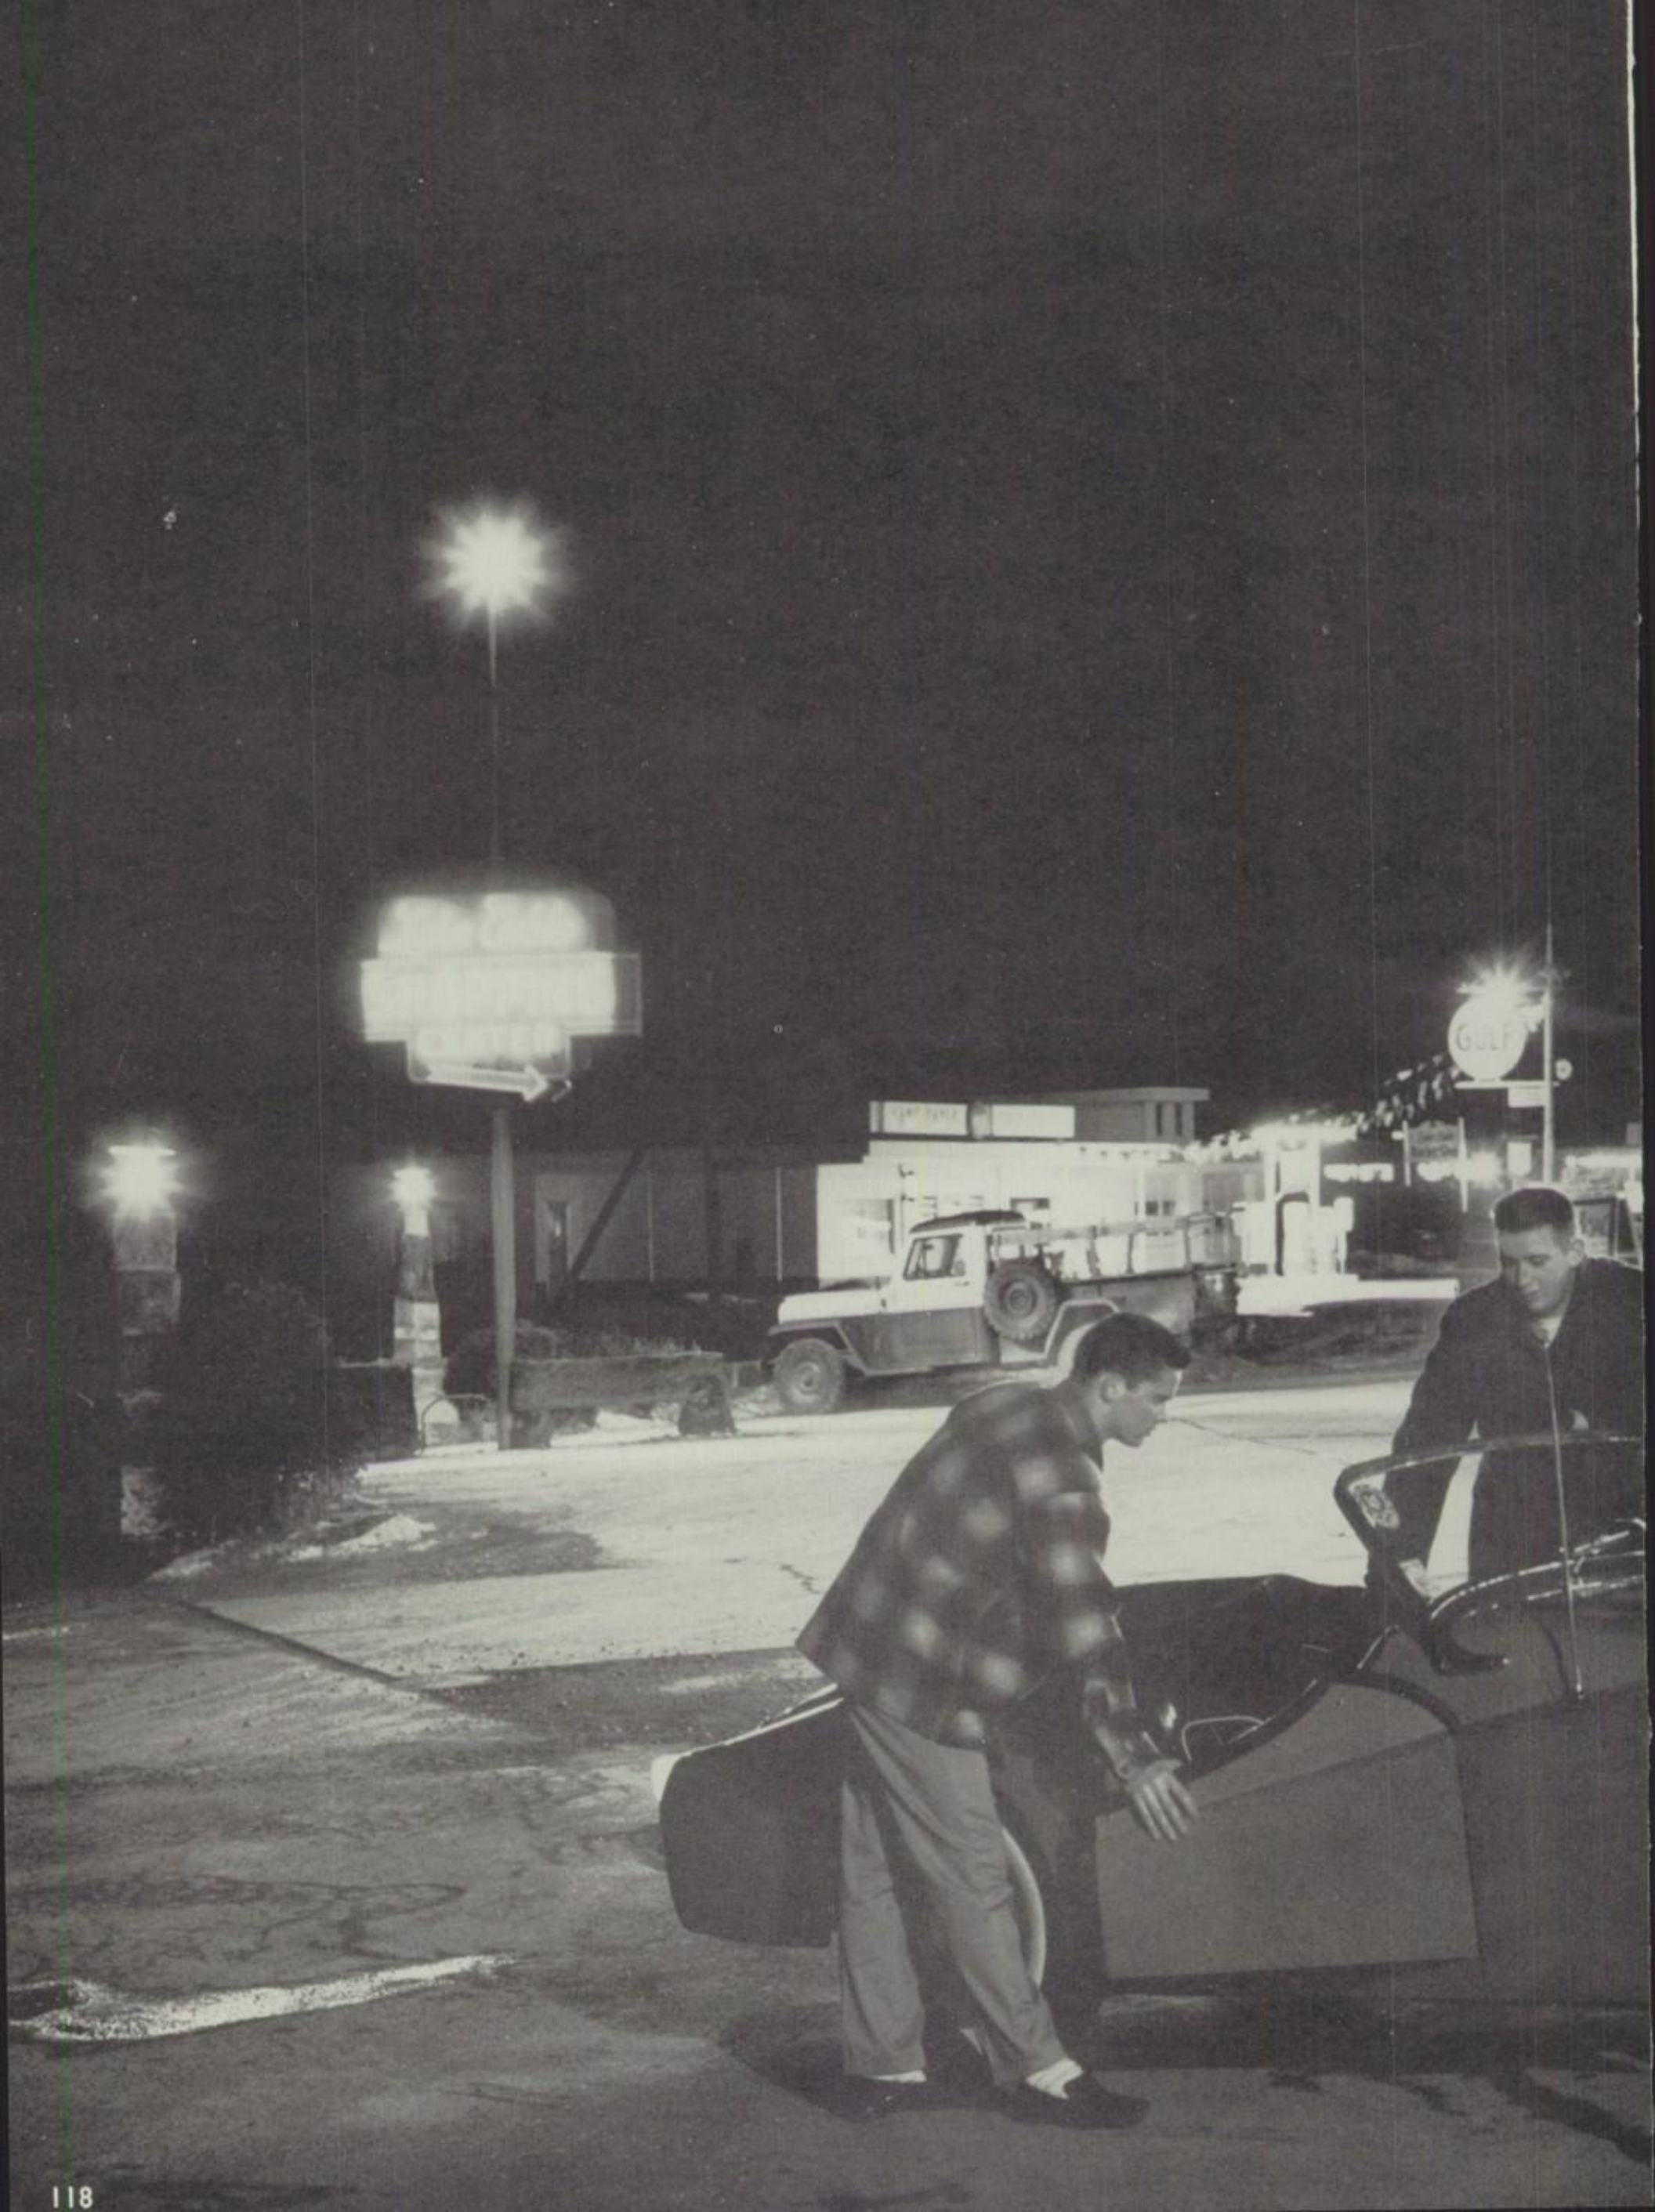

Clothing is made in the sewing course starting with laying out and cutting the material from the pattern to the finished product.

In the spring, the students conduct a style show modeling the clothes they have made.

Mrs. Lininger demonstrates the cutting of freshly baked bread.

Band members practice every day and attend various music contests throughout the year. The music of the band aids in promoting enthusiastic school spirit.

FORD CARS AND TRUCKS

Why the shoemaker's children went barefoot

ONCE THERE WAS A SHOEMAKER...

WHO DECIDED TO ASK FOR A RAISE

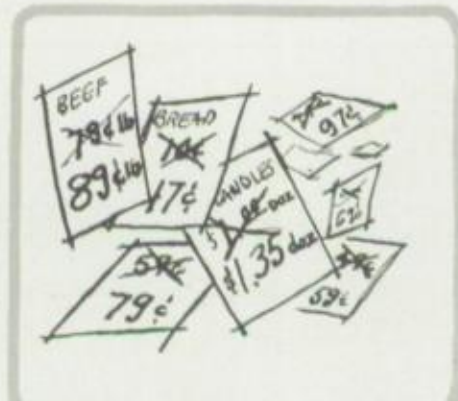

HIS BOSS WAS A GOOD GUY AND SAID...OKAY!

BUT THE BOSS FOUND HE HAD TO RAISE PRICES TO PAY FOR THE SHOEMAKER'S RAISE

WHEN THE BUTCHER, THE BAKER, THE CANDLESTICK MAKER FOUND OUT,

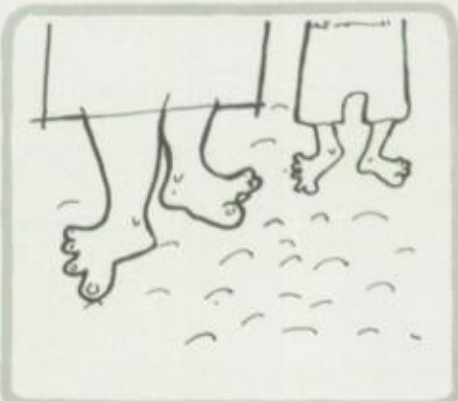

THEY HAD TO RAISE **THEIR** PRICES TO BUY THE MORE EXPENSIVE SHOES

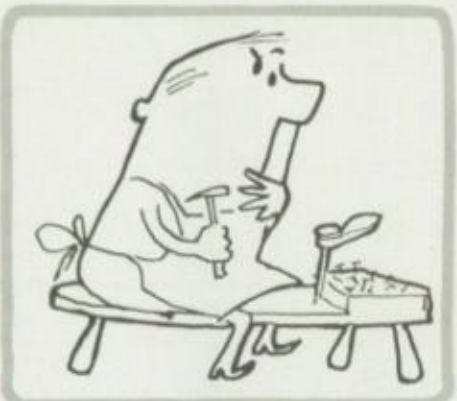

WHEN THE SHOEMAKER'S WIFE WENT SHOPPING, SHE WAS HORRIFIED

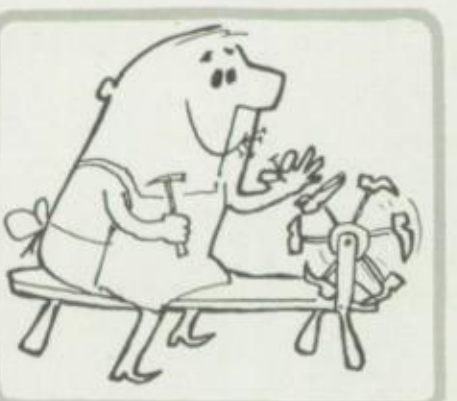

SHE SPENT SO MUCH MONEY FOR EVERYTHING ELSE, SHE...

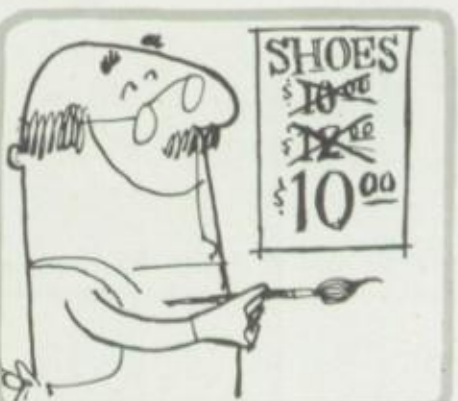

HAD **NOTHING** LEFT FOR **SHOES**!

HER HUSBAND WAS PUZZLED BECAUSE WITH MORE MONEY HE COULDN'T BUY AS **MUCH**

THEN HIS BOSS FOUND A WAY FOR HIM TO MAKE **MORE** SHOES IN THE **SAME** TIME

NOW THE SHOEMAKER **REALLY** EARNS **MORE** BECAUSE HE CAN **BUY** MORE WITH HIS MONEY

It isn't how much you spend, but how much you get for your money
